

## Newsletter 1/2013

### Programme guide 2013

The Programme Guide is a tool for anybody who would like to participate in the Youth in Action Programme. It includes the necessary information about the priorities, actions and main features of the Programme as well as the criteria and conditions on how to participate.

Anybody willing to submit an application for funding is invited to read it carefully in order to understand the Programme's objectives and criteria, and to identify the types of projects that can be supported by the Programme.

The new version, which contains some small changes in comparison to the previous one is currently available [here](#), this new version of the Programme Guide is valid from **1 January 2013**.
