

Puppet

Puppet Workshop and many art branches can be used together, too many tools and machines without any need, it was an activity based on simple skills and which would make it easier for young people to mingle with each other.

Group Introduction

End of Project and Farewell

"Funded by the Erasmus+ Program of the European Union. However, European Commission and Turkish National Agency cannot be held responsible for any use which may be made of the information contained therein."

Project Name ; Mystery of Art - Project Coordinator: Grupdinamik

Venue and date : Amasya/Turkey 21-27 October 2019

Project Partners; Turkey, Italy, Bulgaria, Latvia, Ukraine

By the National Agency of the Ministry of Foreign Affairs of the European Union mixed skill Youth Exchange project that is called "Mystery of Art" was made it real in Amasya with 32 young people and 8 leaders.

It was carried on under the coordination of the youth group called "Grupdinamik" brought youngs from Italy, Bulgaria, Latvia, Ukraine and Turkey from European countries and youngs with learning difficulties with other youngs with the aim of their integration into society, facilitate their inclusion, increase their self-confidence and raise awareness about them.

During the project, young people held handicraft workshops, such as origami, kite and fly, puppet making and animation.

Project Opening

Origami

Origami workshop has had a positive effect on the development of learning ability and their creative potential in young people. Figures that can be revealed by folding the paper in different forms strengthened the sense of achievement in young people.

Rhythm

With the Rhythm workshop, the participants met their personal and social needs. Recognizing, controlling, expressing emotions; The needs such as recognizing sounds, understanding the relationship between sounds and rhythms and emotional state are understood through music. It has developed the sense of togetherness and togetherness among the youth and increased the sense of friendship.

Kite

In our kite workshop, which is one of our most colorful activities, young people made their own kites in the colors they want in groups of 2, provided that they are mixed (disabled and unimpaired).

Youthpass
