#MeToo was a social movement and awareness campaign against sexual abuse, sexual harassment and rape culture, in which women publicize their experiences of sexual abuse or sexual harassment

MASCULINITY

There is no such thing as Male Priviledge

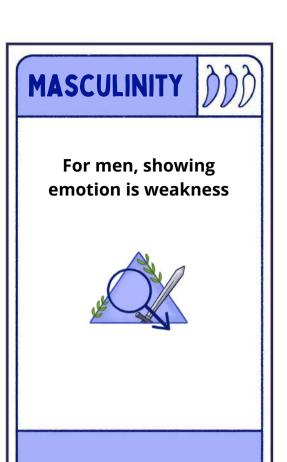

If you talk about privilege, you are talking about the power and advantage that only a small group of people have, usually because of their wealth or their high social class.

MASCULINITY

Andrew Tate has some good arguments

A divisive influencer, Tate has amassed 9.9 million followers on X as of August 2024 and was the third-most googled person in 2023. He has been dubbed the "king of toxic masculinity", has called himself a misogynist and is politically described as both right-wing and far-right. As of August 2024, Tate is facing five legal investigations—three criminal and two civil

MASCULINITY

The most opressed minority in the world currently, is Cis Straight Men

Cis, short for cisgender, is a term that means whatever gender you are now is the same as what was presumed for you at birth. This simply means that when a parent or doctor called you a boy or a girl when you were born, they got it right. Cis people can be men or women, because those are the genders that doctors label people at birth.

The term "genderqueer" might also be used to describe a person who is fluid. Genderqueer describes someone whose gender identity doesn't fit within the binary.

GENDER IDENTITY

Trans people should only participate in sports as their birth sex

Opponents argue that transgender women have an unfair advantage over, and may endanger, cisgender women in competitive sports due to sex differences in human physiology, and that these differences are not sufficiently reversed by transgender hormone therapies. Supporters argue that medically prescribed puberty blockers and estrogen suppress testosterone levels and reduce the muscle mass, reducing possible competitive advantages

GENDER IDENTITY

Professional sports should have cis-women / cis-men only categories

Cis, short for cisgender, is a term that means whatever gender you are now is the same as what was presumed for you at birth. This simply means that when a parent or doctor called you a boy or a girl when you were born, they got it right. Cis people can be men or women, because those are the genders that doctors label people at birth.
