

Human Library: Webinars to Capacitate

As part of the EU-funded project *Every Story(Teller) Matters – Human Libraries and Mutual Recognition*, this four-session webinar series was designed to promote intercultural inclusion through the Human Library methodology. The program provides a comprehensive guide to the methodology—exploring its core benefits and practical application—while equipping participants with essential skills in empathy, active listening, and mutual recognition to foster more inclusive communities.

The webinar agenda includes:

- **Webinar 1:** Introduction to Human Libraries and intercultural inclusion
- **Webinar 2:** Planning and preparation of Human Libraries events
- **Webinar 3:** Implementation and facilitation of Human Libraries events
- **Webinar 4:** Reflection and sustainability of Human Library events
