Methodology

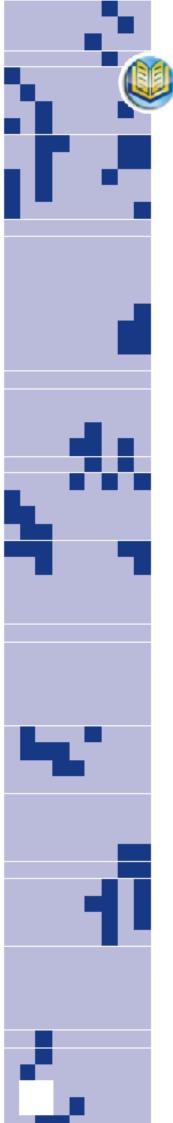

The methodology is highly **practical** and **concrete**, evidence-based examples and experiences.

Every day there is a 2-hour daily session dedicated to **cooperative design and writing simulation in team.** With the support of the trainers at the end of the course each team will have developed a first draft of a European learning project.

The morning session lasts from 9.30 till 13.00, the afternoon one from 15.00 till 18.30. Restorative short breaks (with coffee, tea, juice and relax) are foreseen.

The training and staff team will be multinational thus giving a full European dimension to the course.
