

STATEMENT

OF THE SALTO EASTERN EUROPE AND CAUCASUS RESOURCE CENTRE

The position of the SALTO Eastern Europe and Caucasus Resource Centre (SALTO EECA) concerning commercial entities providing brokerage services and paid information on European youth programmes for organisations and young people, that would like to be involved in Erasmus+ Youth and European Solidarity Corps programmes.

- Information about the European youth programmes is offered for free by SALTO EECA (www.salto-youth.net/EECA_languages) and the local network of Info Centres (www.salto-youth.net/InfoCentres). This is provided with series of informational and promotional events, consultancy, information in social media, etc. In English as well as in all languages of the Eastern Europe and Caucasus region.
- National Agencies and SALTO Resource Centres every year offer hundreds of free activities providing information about European youth programmes and rising competences in European youth work of organisations' staff and volunteers (www.salto-youth.net/Training).
- Full responsibility for the implemented youth projects within European youth programmes is within the official project partner organisations.
- This responsibility cannot be transferred to any third parties, not indicated in the project grant application.
