**Niš 29.03-07.04-**

**Bringing together youth workers  
who work with different types of cards  
and are passionate of the cards idea,  
so that we can have a great experience exchange and a card tool-fare  
promoting strengthening young people's psychoemotional health  
supporting their communication and creativity.**  
**During the TC we plan also to create our own new card deck with new  
game rules for young people based on non-formal education.**
