For whom:

Active youth workers,
educators, non-formal
education teachers, activists,
facilitators, project
coordinators, youth leaders
working with young people.

This project is dedicated to
participants, who are 18+,
with no upper age limit.

Where:

Łódzkie Region in central
POLAND

When:

27.07 - 7.08.2025

Sunday, 27.07 - arrival day

Thursday, 7.08.2025 - departure

Duration:

10 days + travel days

Participants will:

- learn about current local and international challenges and how small actions can lead to significant positive change;
- engage with local changemakers and discover practical solutions to real-world issues;
- develop vital skills for project creation and implementation based on personal and collective needs;
- develop collaboration and adaptability to effectively respond to social and environmental challenges ... and much, much more! :)

We are looking for youth workers, educators, youth leaders, who are enthusiastic about making a difference in their communities. If you believe in the power of inclusivity, resilience and community engagement, we want to hear from you!

The "Butterfly Effect" project emphasizes that every small action matters. By participating in this program, you will not only develop your personal and professional skills but also contribute to building a better society for everyone, regardless of their background or life experiences. This is a unique opportunity to be part of a supportive network of individuals dedicated to driving change.

Participants should fulfill the following criteria:

- experience and good understanding of needs in the field of youth work as well as good understanding of the situation of young people in their local community and/or national context,
- at least a basic understanding of non-formal education purposes, framework and educational approaches,
- motivation to take part in a mutual exchange and learning process held in an intercultural setting within a transnational team,
- good level of English,
- ready to devote their time and work to the project in all phases, including preparation before and dissemination after.
