# VENUE

## EKODROM ESTATE, CROATIA

Ekodrom Estate is the perfect escape to lose yourself and find peace. Nestled in a serene, supremely private setting, this idyllic retreat invites you to embrace the beauty of simplicity and reconnect with nature. Surrounded by plum orchards and lush greenery, it's a place where time slows down. Unwind in a soothing hot tub, relax in the warmth of a sauna, or gather around a crackling bonfire beneath a sky full of stars.

# TRAINERS

Helena Habdija is an experienced educator, mentor, facilitator, and project designer with a passion for innovation and meaningful change. She designs and delivers impactful programmes for young people, entrepreneurs, and mentors startup founders at every stage of their journey – driven by a deep commitment to supporting ideas that move the world forward.

Petra Pavleka is a landscape architect, permaculturist, and owner of Zemljanka – a small business focused on education, consulting, and services in the field of agroecology and sustainable living.

For many years, she worked freelance in her profession, creating practical items, cosmetics, and preserves for family and friends, while also engaging in experimental gardening. In recent years, she has focused on developing more stable food-growing systems and seed-saving programs for organizations such as ZMAG (where she previously led the Social Seed Bank and Food Program) and Biovrt – In Harmony with Nature. Her greatest passion is spreading knowledge, which she does by conducting educational workshops across Croatia and beyond.

She is also active in green volunteerism and has participated as an expert collaborator in working groups for the City of Zagreb, advising local council members on green urbanism, biodiversity promotion, and environmental protection. Additionally, she is involved in the civic initiative "Initiative for a Public Orchard in Jarun."

All meals will be vegetarian/vegan, prepared with fresh, locally sourced ingredients whenever possible and served with care and attention.

## **ACCOMMODATION**

You will stay in shared rooms within beautifully designed houses that blend traditional and modern styles, aligned with principles of nature. Each house includes a bathroom and toilet.

## **LANGUAGE**

The working language of the training is English. Translation may be available upon request.

# HEALTH & TRAVEL INSURANCE

Participants are responsible for their own health and travel insurance.

We require you to have European Health Insurance Card.

This is a free card that gives access to medically necessary, state-provided healthcare during a temporary stay in any of the 27 EU countries, Iceland, Liechtenstein and Norway, under the same conditions and at the same cost (free in some countries) as people insured in that country.

More information on the card and on how to obtain it is available **HERE**.

# PARTICIPATION FEE

The participation fee covers food, accommodation, and the training course.

Travel costs will be reimbursed by the organizer. The reimbursement amount depends on your type of travel and your place of residence. We strongly encourage eco-friendly travel options such as train, bus, or car-sharing. If you are selected for the training, detailed information about travel reimbursement will be provided.

If the participation fee is a barrier for you, please don't hesitate to apply—we will work with you to find a solution!

## FEES BY COUNTRY

Germany: 65€

Croatia: 50€

Greece: 40€

Bulgaria: 35€

Italy: 50€
