

ADDITIONAL INFORMATION

PARTICIPATION

Participants are expected to be part of the full duration of the study-visit. All board and lodging are foreseen from Monday 8 December dinner time, till after breakfast on Friday 12 December.

TRAVELING

Please contact your national agency or SALTO in order to know whether they would support your travel costs. We're happy to inform you about accessible train stations and train connections in Mechelen.

If necessary, we can arrange and cover adapted transportation from the airport or train station to the venue. More detailed information about the travel guidelines will be provided to the selected participants closer to the event.

ACCOMMODATION

The B&B Hotel Mechelen has accessible toilets and we can arrange a room for you that is adapted for persons with reduced mobility. If you have a personal assistant, we can book and cover the costs of an extra room.

The venue offers a buffet for breakfast. For lunch and dinner we order vegetarian food by default. The venue and places we are visiting are able to adapt the menu to other dietary needs or preferences.

LANGUAGE, COMMUNICATION AND LEARNING

The main working language during the study-visit will be (International) English. We're happy to provide you with a sign language interpreter upon request.

The resources and documentation we're using could be made available in easy to read formats.

SAFER SPACE

We will provide a quiet/private space that participants can use to unwind, reflect, and/or pray.

Participants can appeal to a confidential advisor before, during, and after the study-visit.

OTHER NEEDS

We want to ensure to host an inclusive study-visit and tried to think about all needs related to traveling, accommodation, and language, communication and learning. Probably we lost quite a few out of sight, but we're happy to support you if you would have any other need. Therefore, we've included a question in the application form so you can make us aware of this. Of course, this doesn't have any influence on your application.
