

INTERNATIONAL TRAINING FOR YOUTH WORKERS

YOUTH EMPOWERMENT LAB VOL.2:

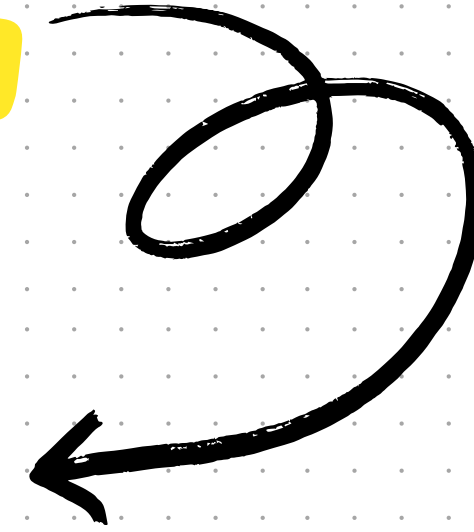

LEADERSHIP, CIVIC ENGAGEMENT &
PARTICIPATION

PETROHAN, BULGARIA
17-24 OCTOBER 2025

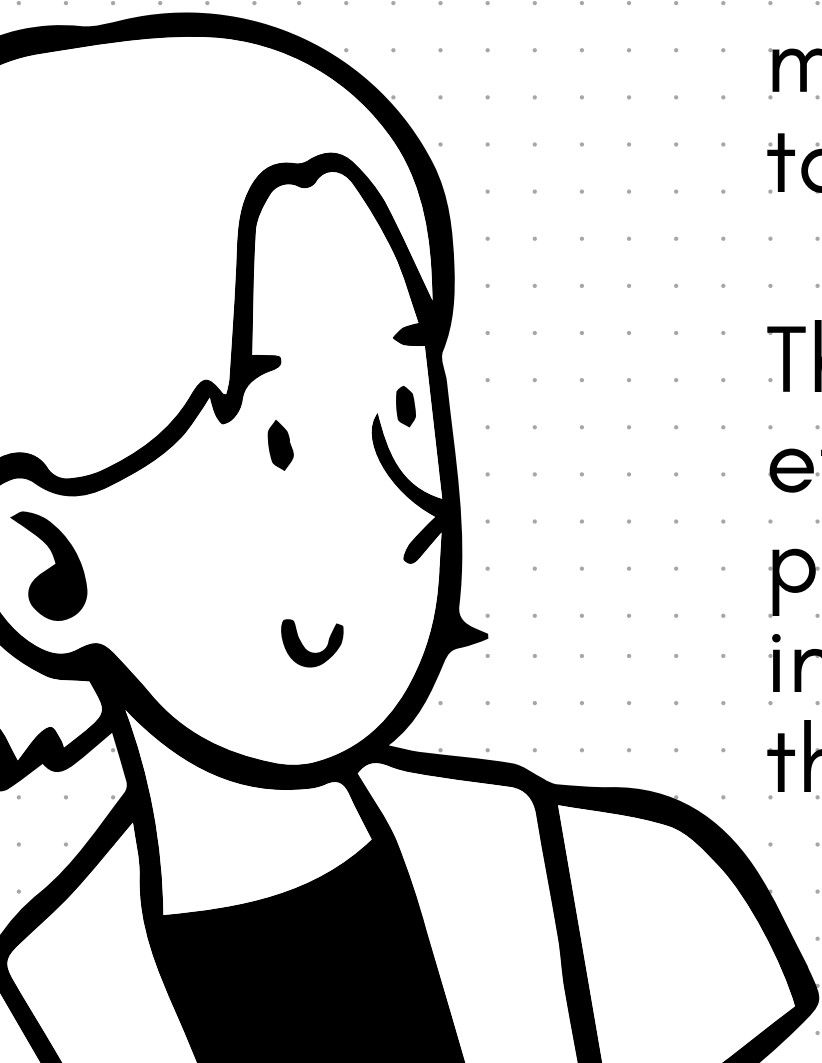

Funded by
the European Union

MAIN AIM

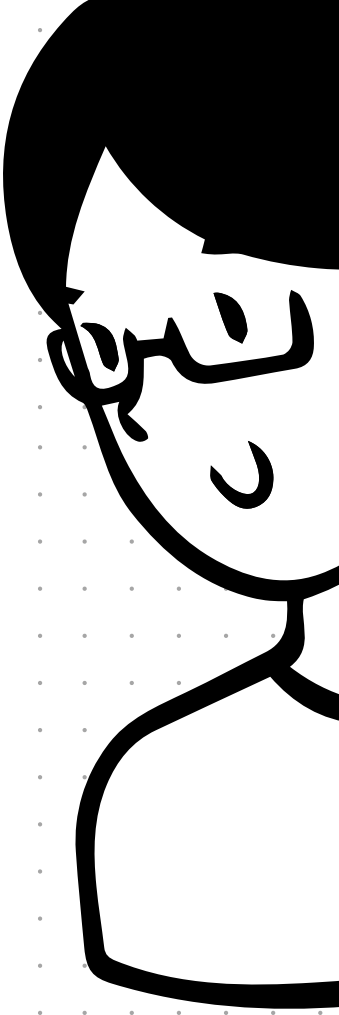

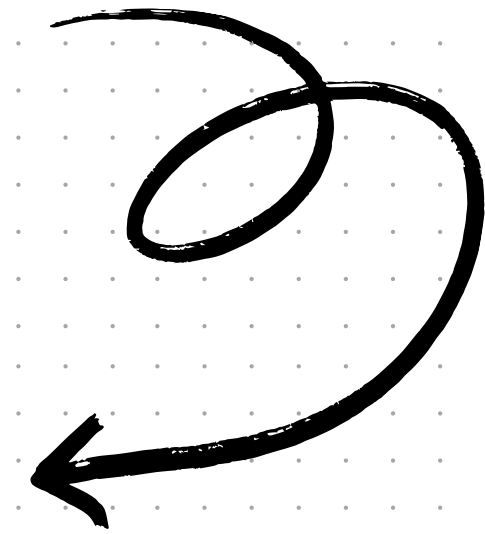

The training aims to enhance the leadership skills of youth workers from Erasmus+ program countries in the areas of youth civic engagement and participation in democratic life. The activities will be based on interactive and inclusive non-formal education methods, including role-plays, simulations, discussions, creative tasks, etc.

The training also seeks to support participating organizations in effectively engaging adolescents and youth, ensuring that young people with fewer opportunities are actively involved as partners in developing and implementing policies, programs, and processes that affect them.

SPECIFIC OBJECTIVES

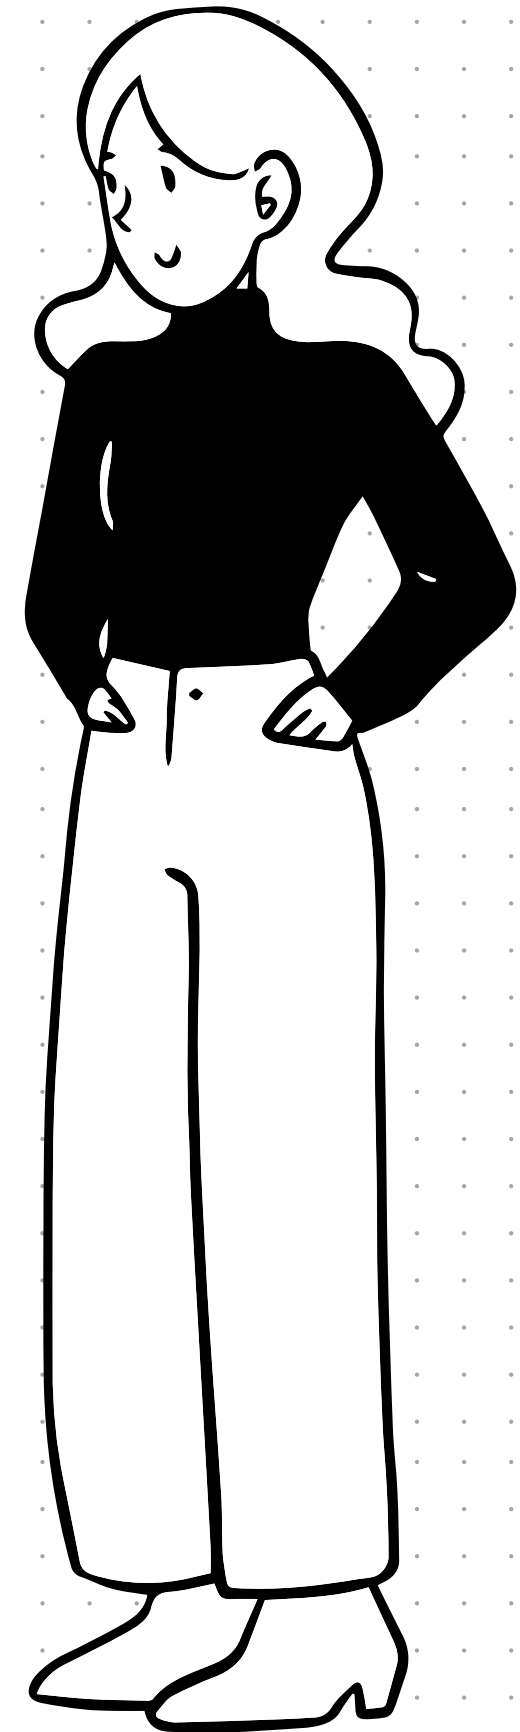

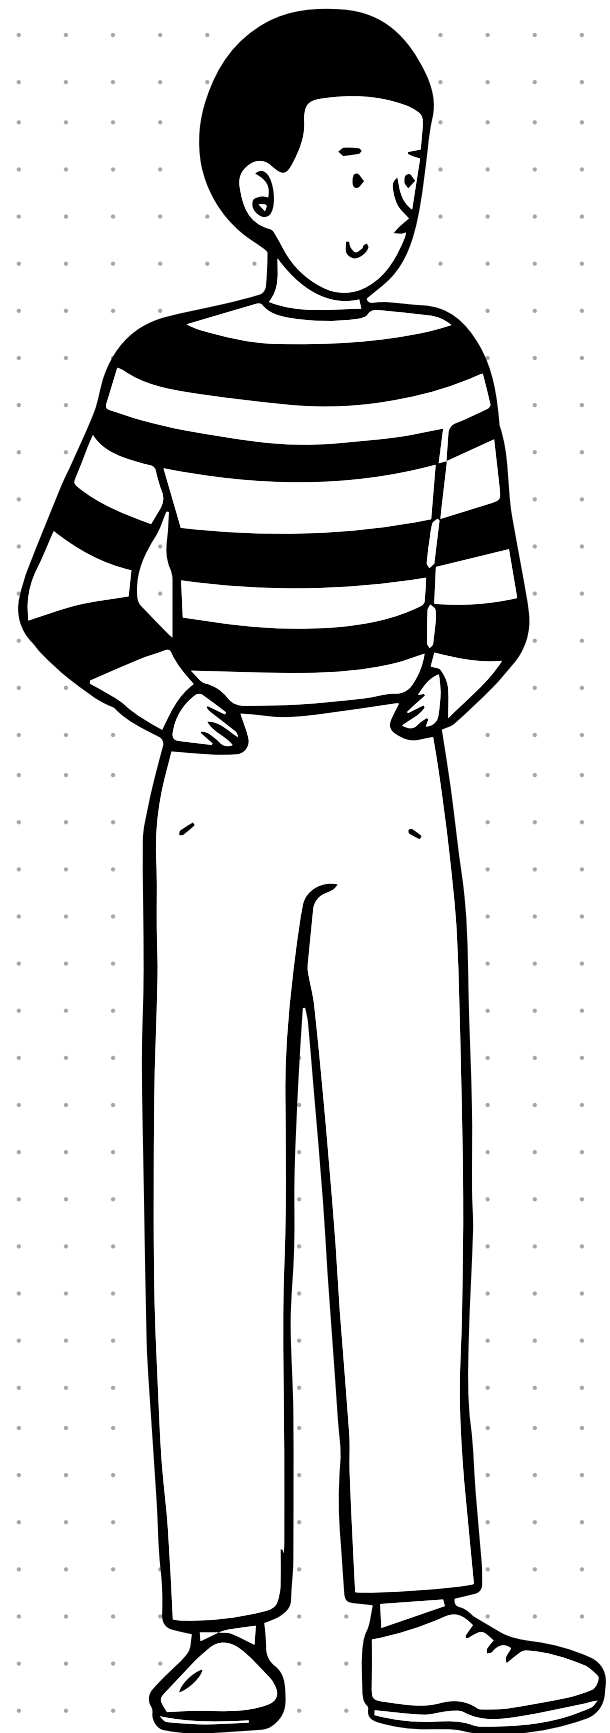

- Promote European values, such as equality, intercultural dialogue, inclusion and active citizenship among young people, and equip youth workers with skills and tools for tackling these topics.
- Equip youth with the skills to become transformational leaders, while building their capacity in intercultural dialogue and advocacy for the implementation of the Sustainable Development Goals (SDGs).
- Promote youth participation, civic engagement, and active citizenship across different platforms and formats, with a focus on fostering inclusion and empowering young people at risk of social exclusion.
- Strengthen the knowledge, attitudes, and skills of young people and youth workers to lead efforts that promote the core values of the EU Youth Strategy 2019-2027 and the 11 European Youth Goals at regional, national, and European levels.

WHO WE ARE

We will set up tables for your country and we would like to invite you to bring any promotional materials, products, videos, clothes, foods and drinks, in order to present your country and share what is special and unique about it with the rest of the participants. Videos, quiz games, songs and dances or any other creative expressions are encouraged!

ABOUT YOUR STAY

Creative House Petrohan is located in the mountains and is surrounded by forests. The altitude is around 1500 m above sea level. That is why, prepare for cold weather and possibly some snow.

The venue is not a hotel, it is a cozy house in the mountains, far away from city life and close to nature. Food that will be served at the venue is typical Bulgarian, prepared with local products and following traditional recipes.

Please be prepared to bring with you warm and comfortable clothes and shoes. More information about logistics will be shared with you closer to the dates of the training.
