Learning That Inspires – Practical Methods for Modern Educators

Join us for a dynamic 6-day training course designed to empower educators with practical, innovative methods that make learning both meaningful and enjoyable. This international program brings together teachers and education professionals from the Czech Republic and abroad to share experiences, exchange best practices, and explore creative approaches to teaching.

Through a rich program of interactive workshops, collaborative activities, and non-formal education methods, we will explore how education can be both effective and engaging in preparing students for the challenges of the 21st century.

Objectives

Non-formal education tools for teachers & educators

Discover creative tools and playful methods from non-formal education to enrich your teaching, boost student engagement, and bring your classroom to life.

Find your spark & and bring it back

Reconnect with the reason you started teaching. Explore how to make learning meaningful and joyful—for both students and educators—through hands-on, inspiring practices.

Skills for the 21st century

Explore how to equip students with essential life skills like collaboration, critical thinking, and adaptability—preparing them for the real world beyond the classroom.

Learning journey

Learn how to guide students in reflecting on their learning, helping them grow in awareness, responsibility, and confidence—key steps toward lifelong learning.

Word from **Trainers**

Linda

As a fan of AI and innovation, I love sharing new tools and approaches, and I look forward to exploring how we can enrich education together.

Lukáš

I believe that education is more than information that can help us, I believe education can be something that can spark mind, curiosity and heart. To do that we have to firstly find spark in ourselves.

Aneta

This training isn't about theory, it's about real tools you can use, ideas that spark change, and community that supports innovation in education.

We are looking for:

: Teachers and students from schools and universities

: Students and Motivated Individuals: Ready to contribute to or launch projects and initiatives.

: Organizers of extracurricular and learning programs

: Youth workers and leaders in non-formal education

: Staff from educational institutions, NGOs and libraries

Whether you're at the start of your teaching journey or looking to refresh your methods, this course is designed to offer new energy, ideas, and tools for your work.

Participant profile

Don't worry about the most essential!

Travel costs will be reimbursed for the most affordable and direct way to get to the project. Check out the travel budget chart for specific amounts.

JUST ONE THING TO KEEP IN MIND: MAKE SURE YOU HAVE TRAVEL HEALTH INSURANCE.

You can take 2 extra days before, or after the project.

Keep all your receipts, invoices and travel documents so we can reimburse you.

Travel Light: Tips & Important Rules

When planning your trip, please keep in mind the following **travel guidelines** set by the Czech National Agency, which **must be followed** by the organizing team.

Stick to the Essentials

- : The National Agency supports the most economical and sustainable way of travel, which is why extra services are not reimbursable.
- : If you need a larger check-in luggage, it will be at your own expense.
- : Priority boarding, seat reservations, and extra luggage fees are not covered by the travel budget.

Travel Days & Accommodation

- : The National Agency allows up to 2 extra travel days (before, or after the project). If you choose to stay longer or arrive earlier, any additional travel costs will be at your own expense.
- : Accommodation during extra travel days outside the project dates is not reimbursable, just like travel insurance costs.

Plan wisely, pack light, and travel smart!

Financial Contribution

All the expenses are covered by the organizer for the selected participants. Including travel, accommodation, food and program. We've got you covered!

The only financial contribution of selected participants is **50 EUR / 1 200 CZK for the stage**. It will be paid on the stage in cash (EUR/CZK).

If you are not selected, you can purchase the course for the full price according the price list of the organizer, we will still assist you with travel and accommodation.
