

ORIUNITE INTERNATIONAL TRAINING – INFO PACK
ZAGREB, CROATIA 21–23 November 2025

(Arrival: 20 November | Departure: 23 November evening)

About ORIUNITE

ORIUNITE – Orienteering, Uniting Nations in Interactive Team Efforts is a European project funded by the Erasmus+ Sport programme. The project aims to use **orienteering as a tool for peacebuilding**, promoting dialogue, cooperation and reconciliation across communities historically divided by social, political, or ethnic conflicts.

The project focuses on symbolic border cities and regions across Europe – such as **Nicosia, Mostar, Gorizia/Nova Gorica, Dragonja/Savudrijska vala, Berlin, and Órség** – where local and cross-border activities will be developed.

Objectives of the Training

The international training will gather selected participants from all partner organisations to:

- Develop a common understanding of the project's vision and objectives
- Deepen skills for planning and delivering inclusive orienteering events
- Explore tools for awareness workshops and cultural dialogue with youth
- Build capacity on stakeholder engagement and communication campaigns
- Design national/local action plans for implementation

Participant Profile

Each partner is invited to nominate **3 participants** with the following suggested profiles:

1. Orienteering/Technical Expert – to coordinate orienteering activities and map planning
2. Educational/Workshop Facilitator – to deliver awareness-raising activities in schools and youth centres
3. Communication/Engagement Lead – to lead community events, stakeholder involvement and support the national documentary production

Participants should be:

- Actively involved in the partner organisation
- Committed to follow-up and lead local implementation
- Comfortable working in English (training language)
