Permaculture as a Tool for Social Transformation

Join us for a week of
connection, creativity, and
sustainability!

Dates: 15 - 21 March 2026

Location: Palermo, Italy

Why Join?

Be part of a transformative journey!

- ✓ Learn how to use permaculture as a tool for social impact
- ✓ Explore ecological and sustainable living
- ✓ Co-create practical solutions for your community
- ✓ Connect with changemakers from across Europe

Our Goal

To empower youth through the principles of permaculture, promoting ecological awareness, social justice, and community transformation — both in urban and rural spaces.

Specific Objectives

- Understand the core principles of permaculture
- Learn through hands-on experiences and field visits
- Create space for group learning and reflection
- Build an international network of passionate youth

What's the Plan?

A full week of inspiration, action, and learning!

- Interactive workshops
- Manifesto Co-Creation Sessions
- Field visits to community projects
- Hands-on collaboration
- Reflection circles
- Fun and food
