| Time Slot            | Session Day 1 – 30 October                                                                                                                                                                                                                                                                                                                                                                                                                        |
|----------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <b>13.00 – 13.30</b> | <b>Welcome &amp; Opening Remarks, Delivered by PYLON ONE Project Officers</b><br>Introduction to the CIRENA project, the Awareness & Engagement Phase, and the objectives of the #SolidarityIsUs Europe-wide awareness campaign.                                                                                                                                                                                                                  |
| <b>13.30 – 14.00</b> | <b>Panel Discussion: Solidarity in Action – Citizens, Communities and the European Experience, Delivered by PYLON ONE Project Officers</b><br>Exploration of solidarity practices and lived experiences across Europe, with particular attention to the human side of migration, community resilience, cross-border solidarity, and the role of citizens and local communities in strengthening social cohesion and civic participation.          |
| <b>14.00 – 14.50</b> | <b>Invited Organisation Session: From Personal Stories to Collective Solidarity, Presented by guest Project Officer</b><br>A dedicated contribution exploring how personal experiences and community-based storytelling can foster empathy, mutual understanding, social inclusion, and active citizenship. The session will highlight the value of bringing citizens’ voices into wider European discussions on solidarity and civic engagement. |
| <b>14.50 – 15.15</b> | <b>Interactive Discussion: How Can We Strengthen Solidarity in Our</b>                                                                                                                                                                                                                                                                                                                                                                            |

|                      |                                                                                                                                                                                                                                                                                                                                                                       |
|----------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
|                      | <b>Communities?</b><br>An open and participatory discussion exploring practical ways citizens can promote solidarity in their everyday lives and local communities. Participants will exchange ideas on community support, inclusion, civic participation, mutual assistance, and small-scale actions that can contribute to stronger and more resilient communities. |
| <b>15.15 – 15.30</b> | <b>Q&amp;A Session &amp; Closing Reflections</b><br>An open question-and-answer session providing participants with the opportunity to raise questions, share final reflections, and exchange perspectives on the topics addressed throughout the event.                                                                                                              |
