Tools 4 (ex)change

2-9th January 2027
Alicante, Spain

Funded by
the European Union

About the project

Tools 4 (ex)change is a training course to equip participants with knowledge, skills and materials to deliver meaningful, high quality youth exchanges.

Based on non-formal educational principles and applying experiential learning method, this project is aiming to improve participants' professional skillset on making positive (ex)changes.

Funded by
the European Union

To whom?

Age
Over 18

You are the one if, you...

- are working or would like to work with young people
- are eager to learn non-formal educational methods and tools
- are ready to discover or dive deeper in the world of Erasmus+ youth exchanges
- would like to gain new skills in facilitating, organising youth activities

Funded by
the European Union

The agenda

JAN

02 Arrival day

03 Getting to know each other, teambuilding

04 Learning & non-formal education

09 Departure day

Funded by the European Union

The training course will be based on an interactive and participative approach, building on learning by doing, peer-to-peer learning.
During the project various NFE methods will be introduced to enrich the learning experience of the participants.

The venue

Location

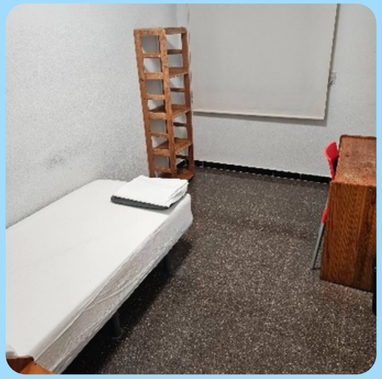

The youth hostel offers space to learn during the sessions with its spacious activity room, to conect with each other in some cosy areas, and rest in single or double rooms with private facilities. 3 daily meals are served in the dining room.

Youth hostel - address

Albergue Juvenil La Florida

Av. d'Oriola, 59, 03007 Alacant, Alicante

Funded by
the European Union

Finances

PROGRAM

Accommodation, food and program costs are fully covered by the organisers.

DOCUMENTS

Please keep all your original tickets and boarding passes for administration and reimbursement.

Funded by
the European Union

Travell

Costs

Travel costs are determined by standards set strictly by Erasmus+ Programme based on the distance between your hometown and Alicante.

Distance

Distance is calculated one direction, based on this calculation page provided by the Erasmus+ Programme.

Travel distance	Green travel	Non-Green travel
10 – 99 km	56 EUR	28 EUR
100 – 499 km	285 EUR	211 EUR
500 – 1999 km	417 EUR	309 EUR
2000 – 2999 km	535 EUR	395 EUR
3000 – 3999 km	785 EUR	580EUR
4000 – 7999 km	1188 EUR	1188 EUR
8000 km or more	1735 EUR	1735 EUR

Funded by the European Union

Apply

Fill out the application form HERE

We select participants based on their motivation and their strong youth work connection on local level. Priority is given to those willing to commit to our partner organisations and contribute to becoming a group leader in youth exchanges in the future.
