## Organizing NGO

### People in Peril Association

People in Peril is a non-profit civil society association, established in Slovakia in 1999. Our aims are providing effective support to those who suffer the consequences of natural catastrophes, conflicts and authoritarian regimes; and promoting global education among young people and students in Slovakia in order to contribute to forming open and tolerant society. Our activities range from Humanitarian Aid and Development Cooperation to Human Rights Advocacy; Education and Awareness Raising Activities in Slovakia. The primary target groups of educational activities by People in Peril NGO are young people, volunteers, school teachers, pupils and students.

## Goals

The idea for organizing this training was inspired by the wish of our volunteers to learn more about the problems of today's globalized world and to gain new competences in organizing and facilitating peer education activities on the topics of global education for youngsters on the local or international level.

### The main objectives of the training therefore are:

- to enrich the participants' knowledge of the global education main topics (also through experience )
- to train the participants in using non-formal education methods for their later use within their activities of peer global education
- to give participants the possibility of presentation of their GOs/NGOs and also to get acquainted with international organizations sharing the interest in cooperation on educational projects concerning the Global education
- to provide participants with space for sharing tips of good practice and their ideas for successful youth work
- to get more familiar with the opportunities provided by Youth in Action program with the relevance to the participants' needs and experience
- to provide a platform for partnership building and induce cooperation among the participants
- to support a creative atmosphere and inspire participants to design projects for the near future on the local, national and international level

## Reimbursement of the travel costs

As this is a project within the Youth in Action program, we can reimburse altogether 70% of your travel costs - immediately after you've sent us all the travel documents together with a filled reimbursement form.

## Travel regulations

The coordinating NGO will provide travel reimbursement to all participants; however it is necessary to respect the maximum allowed travel costs per country, which you can further consult with your country coordinators or the main project coordinator listed below.

## Participation fee

In order to participate in the training we'd like to ask you to make a small contribution of 30 EUR per participant in order to help us cover all the expenses connected with the training course. For this amount of money you will get:

- 7 days of training (5 full working days) by experienced trainers
- Food and accommodation
- A certificate of participation
- Practical handouts to the topics covered
- New contacts and an unforgettable experience!
