

# NUI Certificate in European Youth Mobility Project Management

**What:** This new first-of-its-kind certificate will provide a blended and applied learning experience for participants seeking to deepen their understanding of the context and practice of European Youth Mobility projects.

**When:** The Certificate Programme will be delivered in four blocks between October 2015 and June 2016, and include a three-day European study visit. The typical structure will include a one-day induction, three blocks of two intensive days plus an additional three-day high impact international study visit. The programme will be designed to facilitate participation from diverse geographical areas. Students will graduate in October 2016. In addition, students will be expected to undertake individual study and work outside of contact hours.

**Who:** This programme is intended for: youth service managers; youth work practitioners; those experienced in the design, development and delivery of youth work programmes; those working with groups of young people and those interested in developing high quality international mobility projects in the context of Erasmus+.

## Why:

On completion of the programme, students will have:

- detailed knowledge of the national and European contexts of mobility projects
- an understanding of the principles and practices that underpin European mobility projects
- expertise in planning, organising and undertaking a European mobility project
- increased ability to provide access to mobility opportunities for young people.

## How:

The programme will use varied methods of delivery including: creative group-oriented methodologies; presentations; direct contact with youth organisations and groups; project management practice; and participation in a European study visit. The programme will be underpinned by a range of challenging theoretical and policy concepts. In order to receive the certificate, students will need to participate in the study visit and complete assignments, which will be assessed by Maynooth University.
