Serbia

February 3rd	February 4th	February 5th	February 6th	February 7th	February 8th	February 9th	February 10th	February 11th
Arrival	Do we have some basic philosophy of NFE? How it reflects on working principles in our work?	Experts from the field of healthcare will present his/her educational philosophy that underlines trainings with stuff.	Experts from the field of training for employee in business filed will present his/her educational philosophy	Experts from the field of education with artists will present his/her way of using NFE activities.	Free day	How the things participant experienced on this seminar affect their understanding of NFE in youth field.	In small groups, participants will have to prepare the small chapter that summarizes experience to some specific topic.	Evaluation of learning outcomes.
Lunch break						Lunch break		
Intro to the taring	What is usually the structure of the training and other NFE activities? Why it is like this? Is there some other possibilities?	Values that we nourish in our work in the frame of NFE? How we practice those values? What are the challenges?	Small groups discussion: - to certificate or not in NFE with youth? - are we totally open or not? - Limits of participatory learning?	Small groups discussion: - Process vs. result - Inputs vs research, - Group vs individual.		In small groups, participants will summarize different discourses regarding some specific element of NFE.	Participant will present the results of the small groups' process. Other groups will give the feedback.	Departure.
