

# LEARNING FROM THE PAST FOR A BETTER FUTURE

September 9- 17th 2017, Gernica, Spain

*This seminar on Peace and Memory work takes place within framework of the commemoration of the 80th Anniversary of the Bombing of Gernika in 1937*

**The primary goal:** to convey to participants the importance of historical events for shaping our contemporary society, to give them competences in the area of Peace and Memory work and to support them in developing their own projects

The Seminar is organized by European Network Connect - cooperation network in non-formal education and citizenship training)

[@connectnonformaleducation](https://twitter.com/connectnonformaleducation)

Supported by the Erasmus+ program and the state of Hesse:

# LEARNING FROM THE PAST FOR A BETTER FUTURE

Gernika, 9 - 17th September 2017

## OBJECTIVES

- ▶ to get to know the method and the tools as well as the background of peace and memory work,
- ▶ to learn to use memory and art as a pedagogical tool for constructing a peace culture,
- ▶ to appreciate the importance of memory work in explaining the present and in constructing a peaceful future,
- ▶ to be able to analyze different ways in which countries/societies/individuals deal with history and its remembrance,
- ▶ to empower young people to successfully implement projects in the field of memory and peace work,
- ▶ to facilitate future partnerships between participating individuals and organizations.

## REQUIREMENTS

Target group are young people engaged in youth work, who are interested in doing projects in the field of memory and peace work, and

- ▶ are over 18 years old,
- ▶ can communicate in English,
- ▶ are able to attend 100 % of the seminar.

*If you are interested to take part in the seminar, apply until 15th August 2017 by the application form (scan the code) or email: [evs@haus-am-maiberg.de](mailto:evs@haus-am-maiberg.de)  
No participation fee required.*
