What to expect

This is the perfect course for you if you are involved in **an organisation managing volunteers in the field of digital education and youth work.**

The course has been designed by experienced youth workers to address specifically challenges in the field of digital youth work.

Open access

The full course is offered **free of charge**, on **Moodle** platform.

You can also watch the videos on **Youtube**.

Topics

You will be able to view short videos on various topics such as:

Recruitment, training, retaining and rewarding as well as capacity building for your organisation.

Resources and results

After each sessions, **you will be able to put in practice** directly what you have learned thanks **templates, checklists and resources documents** that you can apply and use directly to your organisation

A practical course

This **very practical course** should take a few hours to **complete**, more if you want to **in depth into applying tools and methodologies to your organisation**.

Our goal is to eventually make you saving time in implementing new ideas in your organisation, becoming more efficient in the way you manage volunteers.

Community & Forum

You also have the chance to be part of **our community** and interact with others on our moodle **forum**.

See you on
