ARRIVALS

Welcome! Arrivals day and after-dinner short welcome and get-to-know activity.

DEFINE

SUN
23
JUN

This day will focus on getting to know the group, course, main concepts, and E+ and ESC programmes. We will go through expectations, needs, objectives for the course, along with the proposed methodology in an interactive way.

MON
24
JUN

DISCOVER

We will share and reflect on what we do in our work and life and how it affects our employability. We will focus on existing competences and strengths on an individual and organisational level by using coaching techniques.

DREAM

TUE
25
JUN

Based on the results of the previous day, we will visualise what we want to achieve in the future resorting to successful processes and experiences identified beforehand. Interviews, discussions and simulations will be used to support our learning.

WED
26
JUN

DESIGN

In this phase, you will create your own personal development project on the basis of your individual goals and competences (existing and potential). Orientation and guidance activities will help you design your project for employability.

DELIVER

THU
27
JUN

You will sketch your roadmap to put in practice your project developed during the course. We will close the process by assessing our learning and main takeaways for our organisations or practices.
