

Colours of YouthWork

an international seminar for sharing practices in youthwork

Bardejov, Slovakia

November 18th - 25th of 2019

Erasmus+ KA1

The Slovak Civil Society Organisation “EduEra” is happy to welcome you on our upcoming international seminar “COLOURS OF YOUTHWORK”.

The Slovak Civil Society Organisation “EduEra” is looking for participants from ERASMUS+ Programme Countries and Eastern Partnership Countries for a 6-day-lasting international seminar for sharing practices in youth work.

The seminar is targeted at youth workers and managers in youth organisations who are interested in sharing practices and learning from each other in order to ...

... enrich their own youth work and toolbox

... provide better services to young people

... improve the work of their organization and create more impact

... build lasting international partnerships to support each other and run activities together

The seminar will take place from **November 18th to 25th of 2019** in Bardejov in eastern Slovakia. Funding is provided by the Slovak National Agency for ERASMUS+: Youth in Action, Key Action 1, Mobility of Youth Workers.

Two full days of the seminar are reserved for workshops by the participants to share practices, issues and tools in youth work (see agenda here: shorturl.at/yADSW). To present your organisation is not enough, it must be a proper tool or practice that you present that can inspire the others, or an issue you would like to offer a discussion on.

Funded by the
Erasmus+ Programme
of the European Union

Please read carefully all indications given in this call, especially **the eligible countries, conditions of participation and the requested profile of participants**. If you feel you would like to join us submit your application at:

<https://forms.gle/RSftv5GPxKfKxCQB6>

The deadline for receiving your applications is **September 5th**.

Please note that in each eligible country, we have an official partner organization who will be informed about your applications and who also have a say in the selection process of participants (see list below). You will be informed about the selection results on September 11th.

PROFILE OF PARTICIPANTS

We are targeting youth workers, youth leaders, community leaders, mentors, social workers, teachers, the main criteria being that the participant be **actively involved in value-based youth work** in an educational role.

Participants must be **aged 18+** and **be residents in the country of the nominating partner organisation**. Participants should be **fluent in english**, and be willing and **committed to work** hard (about 9 hours per day at least). Participants should furthermore commit to **carry out agreed preparatory tasks and be willing to follow-up on the seminar** via active youth work, ideally in co-operation with their sending/partner organisation.

AIM AND PROGRAMME ELEMENTS

All participants should be willing and able to share practices in youth work that can inspire the other participants. In that sense we would like to underline that the event **is not a training course**, there will be facilitators to support the participants in their sharing, but **the content (= the practices) must come from the participants**.

The practices to be shared can **relate to any aspect of youth work**, it could be tools and approaches in how to support and work directly with young people, how projects and activities are managed, how to co-operate with different types of stakeholders in youth work, how to create and measure impact, how to provide information about opportunities to young people, whatever it is that you think you do well and is worth sharing.

The participants will be chosen in a way that the contributions are as complementary and **diverse as possible** and represent an inspiring portfolio of different practices in youth work tackling as many different areas as possible.
