HUB - A 
PLUG IN!

Purpose

The aim of the project is to show to the youth workers what are the tools to create and managed a **MULTI-FUNCTIONAL SPACE** for youth development, art, sustainability and education activities.

From our experience, the creation of a dynamic and changing place has not only made it possible to carry out events and training activities for young people and their develop, but has allowed the entire community to benefit from it. Our working place is a real **meeting point** for the whole **COMMUNITY**, to work together, share free time, organize activities and get in touch with different cultures and realities.

The training will also address the **needs of partner** youth organizations as well as youth workers - so that they can work more effectively locally, nationally and internationally, it will also provide participants with space for further networking and partnership. It will encourage them to work in a creative and innovative way, reveal the **role of art** as a means of communication with the public, as a way to bring youth communities together and to build teams.

4 main modules

1. Identifying the needs of local youth communities and structures - introducing / learning about the relevant social context for each country involved in the project and the role of their organization in society.

2. Take action to meet the needs of youth communities based on the analysis done - cooperation with institutions, local authorities, public sector, private sector.

3. Social entrepreneurship and example of a social enterprise - a physical space for co-working space, combined with a youth center - design, techniques, interior;

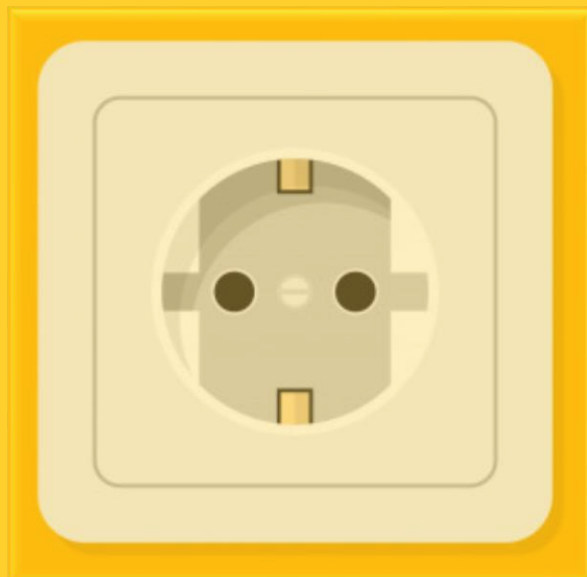

4. Visibility and social impact - organization and management of events, information campaigns, youth initiatives, workshops.

Seed Foundation

Foundation SEED is a non-governmental, non-profit and non-political organization registered for public benefit in 2015. The aim of the Foundation is to empower and develop youth communities and to foster social inclusion. In the beginning our activities were mainly focused on the local youths in Samokov. In the course of the time our mission spread throughout all over the country.

we created a place called "Hub-a" which is the first co-working place in Samokov and gave access to art, music, workshops, books, learning activities to youths. Activities: To support cultural, social, health and educational institutions. To support education, health, health planning, prevention of early marriages, prevention of school dropping, and supporting youth activities. To support other non-profit organizations with similar activities. To organize and fund festivals, competitions, seminars, conferences, trainings, including distance ones.

Related to the scope of work of the Foundation The Foundation uses the following tools to achieve its goals: 1) Organizing campaigns, conferences, presentations 2) Collaborating with local schools, organizations with similar goals, collaboration with municipalities 3) Organizing craft and creative workshops. Target groups: 1) Young people from Bulgaria 2) Young people from minority background 3) Volunteers who are interested in our activities and values 4) People interested in youth development - experts, teachers, municipalities
