

Join the **two-day online dissemination conference** of the **PiFbase International** project where you will learn about an innovative method to involve underrepresented groups of young people in **social entrepreneurship** activities.

Get concrete tools on the themes of:

- ▶ **Professionalization of Youth Workers**
- ▶ **Learning environment in Youth work**
- ▶ **Social inclusion and managing diversity in Youth Work**
- ▶ **Quality in Youth work**

### Target group:

Youth workers, teachers and educators working with young people 13-30 years old.

The conference will be held in **English** and take place in **Zoom**.

Register via the link before **28th of January**.
