In the next section, we explain what activities we have planned for each week.

Week 1 (Blended)

Introductions

Asynchronous (5 hours)

- In week one, you will begin to introduce yourselves on the platform forum.
- You will also watch a video about Hate Speech and Mental health in preparation for this week's synchronous activity and complete a quiz based on the video.
- You will also complete a reflection forum

Synchronous Session (Online Facilitated Dialogue) (2 hours)

- During this session, you will meet each other in your groups for the first time. This will be an excellent opportunity for you to start to break the ice and plan how you will work together on your first project.
- This session will also include facilitated dialogue about the video that you will have watched to prepare. Finally, these sessions will also discuss your expectations and goals for participating in this training course and introducing the reflection element of the exchange.

Extra Support: Online chat, email, and weekly face to face office hours

Week 2 (Asynchronous)

Hate Speech (Group work)

Asynchronous (7 hours)

- Project one: In groups, you will work collaboratively to create a presentation using Google Slides, Powerpoint, Video, etc., in response to a question/issue/problem that affects young people.
- You will also complete a reflection forum

Extra Support: Online chat, email, and weekly face to face office hours

Week 3 (Asynchronous)

Critical Thinking

Asynchronous (7 hours)

- You will take part in a survey. This survey is designed to provoke open dialogue and reflection.
- **Presentation:** Using Zoom (or another tool), your group needs to meet and present your work. You must record this session and upload it to the platform for review by your peers and trainers.
- Peer reviews
- You will also complete a reflection forum

Extra Support: Online chat, email, and weekly face to face office hours

Week 4 (Asynchronous)

Project Two. This week (4), next week (5), and week (6), you will work on your main project. Creating a tool kit/ video / other resources

Asynchronous (7 hours)

- **Your** task is to create a resource that would be useful for youth workers to access to find tools, activities, and advice about dealing with hate speech in your project group. You have two weeks to complete it, and in week 6, you will be presenting it.
- You will also complete a reflection forum

Extra Support: Online chat, email, and weekly face to face office hours

Week 5 (Asynchronous)
