

Training Course

For coordinators of Volunteers

Palermo, Italy
04-10/10/2021

Co-funded by the
Erasmus+ Programme
of the European Union

About the project

V4V for Volunteers (V4V) is a 36-months Erasmus+ KA3 project that aims to empower youth workers and support staff who are experienced in the volunteerism

- to develop competences related to promotion, implementation and mainstreaming of volunteering projects
- to contribute to the legal decision and policy making processes that shapes the voluntary youth work across Europe

The project is consisted by research, exchange of good practices and innovations, trainings on mentoring and coordinating volunteers as well as a policy recommendation paper.

The project is co-funded by the Erasmus+ Programme of the European Commission.

The partnership

United Societies of Balkans (U.S.B.) is a non-profit, non-governmental organization based in Thessaloniki, Greece working in the field of youth mobility, participation and facilitating youth awareness about social issues

MEH brings together Merseyside based voluntary, private and public sector agencies to promote and generate multi agency and cross sector working around key issues relevant to social inclusion. This is on a local, regional, national and European level.

Per Esemplio is a non-profit organisation aiming at cultural, social, ethical, and economic development through the promotion of active participation of people and the civic society.

The Autokreacja Foundation aims at fostering the active participation in a civil society through various initiatives in the field of social economy.

Sende is a cultural association that aims to promote rural development through promotion of living, working and volunteering in the small villages as well as educational activities for youth and adults.

Co-funded by the
Erasmus+ Programme
of the European Union

About the training

What?

This is a training course created in order to build coordinators' capacity to support volunteers, and to help them to discover their skills and interest.
