**Hello, there!**

In the past two years, we were working mainly online, which was quite a struggle in the beginning. Our team, we were used to organizing workshops and training courses on theatre, Improv, clowning, dancing. So, you can imagine it was a lot of connection and interaction.

With Covid, we got a bit stuck. What to do now? How to do what we love online?

Instead of fighting with reality, we decided to give our best and learn how to do engaging online courses, where people are connecting and growing together. And now we want to share our knowledge with you!
