# ABOUT THE PROJECT

## **Aim:**

Empower the 17 youth workers to use strategic approaches and contribute to the realization of their organisations' inclusion strategies leading towards more inclusive youth organization and overall a more inclusive context for collaboration in international youth work.

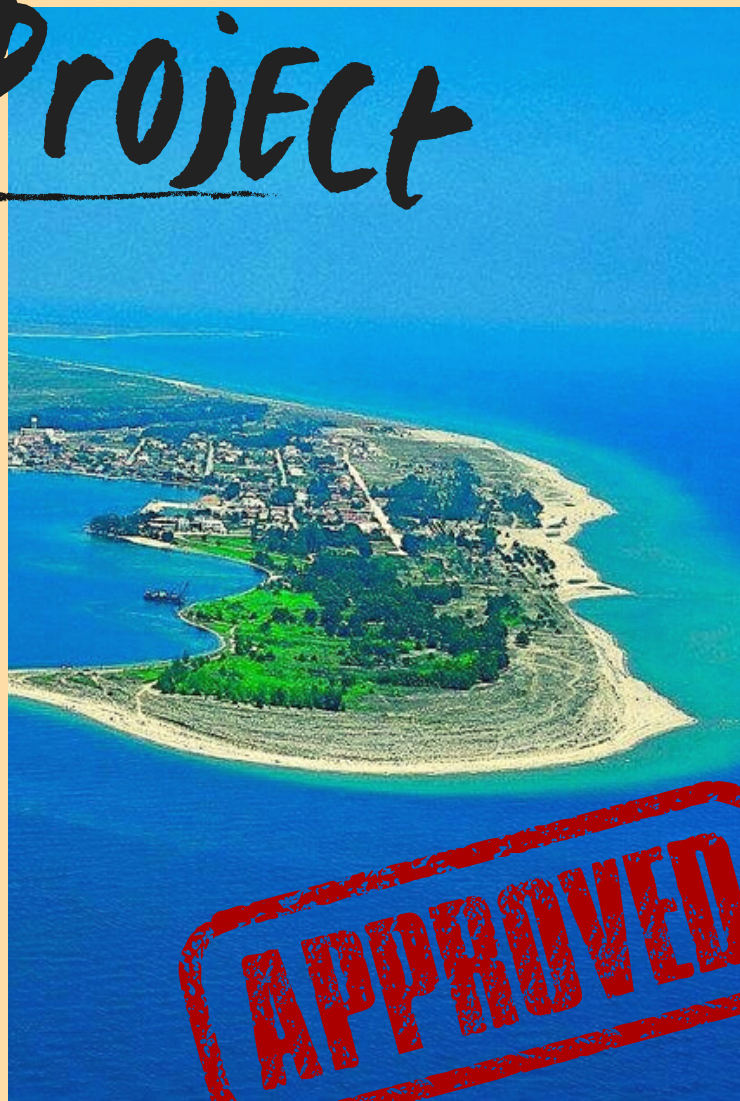

## **Objectives:**

O1. Empower 17 youth workers and staff with the knowhow, attitudes and aptitudes necessary to analyse, plan, implement and evaluate the inclusion strategy for their organization;

O2. At least 50% of the consortium partners will approve their inclusion strategy before the end of the project;

O3. Increase the quality of inclusion services provided by the consortium partners in youth exchanges and other international activities where youth facing fewer opportunities are involved.

The objectives of this activity are correlated with objectives 2 and 4 from our accreditation.

## **Profile of Participants:**

The target group of this activity is represented by youth workers and staff with background in youth organisations and with previous experience or interest do develop experience in facilitating the inclusion of youth facing fewer opportunities in the current activities of their organisation. This TC is addressed to participants from Programme Countries, who aim towards a structured, strategic approach with regards to their inclusive activities.

The minimum age requirement is +18 years old and minimum level of English B2.

The total number of participants is limited to 17.
