ABOUT THE PROJECT

Aim:

The aim of our project is to empower youth workers and professionals from youth organisations from different EU countries to work together in planning, applying and implementing new types of projects available under the new E+ programme such as: youth participation activities, KA2 – Small Collaborative Partnerships, ESC volunteering and solidarity projects.

Objectives:

O1. Empower 21 youth workers and staff with the knowhow, attitudes and aptitudes necessary to apply and implement new E+ and ESC projects;

O2. Apply at least 2 KA1 projects, 2 KA2 SCP projects and 2 ESC projects at the next deadlines;

O3. Increase the quality of collaboration within the consortium partners by reaching common understanding on the functionality of E+.

Our activity objectives are correlated with objectives 2 and 4 from our accreditation application.

Profile of Participants:

The target group of this activity is represented by youth workers and staff with background in youth organisations and with previous experience or interest do develop international projects under the umbrella of E+ and ESC. This CMS is addressed to representatives of organisations that aim towards a structured, strategic approach with regards to their international activities and are interesting to form long-term quality partnerships.

The minimum age requirement is +18 years old and minimum level of English B2.

The total number of participants is limited to 21.
