

Gender Equality at Work

What ?

KA 1 - MOBILITY OF YOUTH WORKERS

Comité de Liaison Diagonal France and Youth Association Droni are organizing a one week training, between November 27th until December 4th, on the topic of Gender Equality at Work. The aim of this project is to make participants more aware and able to mainstream gender around them and in the workplace. During the week, participants will take part in different workshops and learning visits in Tbilisi. They will then create an outcome in relation to the project.

This project is entirely funded by Erasmus+. Accommodation, catering (3 meals + 2 coffee breaks) and travels are covered for the duration of the stay. Participants should buy their tickets by themselves and will be reimbursed during the mobility.

Objectives :

- Learn how to use a gender reading grid to better identify discriminations, inequalities, gender gaps and stereotypes.
- Implement better communication at work and with the public.
- Define gender-oriented goals and targets for the workplace, put on gender lenses and adopt a gender-aware perspective in everyday work.
- Monitor progress and promote gender-aware behavior among staff, in order to create equal, respectful and peaceful work relationships.
- Make a diagnosis of equality achievement and formulate guidance for the workplace.
