

Additional information

Participation

Participants are expected to be part of the full duration of the conference. All board and lodging is foreseen from Tuesday 19 September dinner time, till after breakfast on Friday 22 September.

Traveling

Travel costs are covered by your NA. We're happy to inform you about accessible train stations and train connections in Hungary.

If necessary, we can arrange and cover adapted transportation from the airport or train station to the venue. More detailed information about the travel guidelines will be provided to the selected participants closer to the event.

Accommodation

The European Youth Centre Budapest has accessible toilets and we can arrange a room for you that is adapted for persons with reduced mobility. If you have a personal assistant, we can book and cover the costs of an extra room.

The venue offers a buffet for breakfast. For lunch and dinner we order vegetarian food by default. The venue and places we are visiting are able to adapt the menu to other dietary needs or preferences.

Language, communication and learning

The main working language during the seminar will be (international) English. We're happy to provide you with a (sign language) interpreter upon request.

The conference rooms are equipped with an induction loop system for people with hearing impairments.

The resources and documentation we're using could be made available in easy to read formats. Sessions will take 45 minutes, with breaks in between.

Safer space

We will provide a quiet/private space that participants can use to unwind, reflect, and/or pray.

Participants can appeal to a confidential advisor before, during, and after the conference.

Other needs

We want to ensure to host an inclusive conference and tried to think about all needs related to traveling, accommodation, and language, communication and learning. Probably we lost quite a few out of sight, but we're happy to support you if you would have any other need. Therefore, we've included a question in the application form so you can make us aware of this. Of course, this doesn't have any influence on your application.

COVID-19

The activity is planned to be hosted residentially. In case the Covid-19 situation worsens and restrictions prevent travel, or the organisation of an activity for 100+ participants, SALTO Inclusion & Diversity reserves the right to cancel the residential activity and organise an alternative version in an online format.
