SPEAK UP!
EVERY VOICE MATTERS.

Stop motion animation edition

A man with short brown hair and a beard, wearing a white long-sleeved button-down shirt, light blue jeans, and brown leather shoes, stands leaning against a wall. The wall is made of light-colored stone or concrete blocks. To the left of the man, there is a small white rectangular panel on the wall. Above this panel, the words "EVERYBODY HAS A STORY (TO TELL)" are written in large, bold, black, hand-painted letters. The man is looking down and to his right with a slight smile. The ground is paved with dark grey bricks.

**EVERYBODY
HAS A STORY
(TO TELL)**

When you speak up about your worries, frustrations, challenges - you can be surprised how many people have similar thoughts and feelings

When you speak up and share your story, you can help yourself while also helping other young people

Speak up - every voice matters - isn't about focusing on the problems, it's about telling to our parents, friends, local community, to our country or the whole world what is hurting, upsetting and frustrating us

SPEAK UP!
EVERY VOICE MATTERS.

Art is a very powerful language.

**For this project we chose Stop motion animation. You do not have to have expensive and professional equipment to create a story, that will make its way into people's hearts - you can use your creativity, imagination, inventiveness and super power of multicultural team
=)**
