Training course

EMPOWERING YOUTH WORK FOR A SUSTAINABLE FUTURE. FOCUS PEOPLE AND COMMUNITIES

June 5th - 12th, 2024 Kaunas, Lithuania

Co-funded by the European Union

The context:

Sustainable development - development that meets the needs of the present without compromising those of the future – begins with respect for future generations. It is a comprehensive concept that seeks the balance between economic growth, social justice, and environmental protection. Furthermore, one of the core principles of the Agenda 2030 – the Sustainable Development Goals - is **"Leave No One Behind"**. Therefore, it is crucial to ensure that different structures promote the culture of social justice, equity and inclusion and empower people to contribute to sustainable development on the local and global levels.

Youth work plays an important role in building sustainable communities. Therefore, empowering youth workers to endeavour for a more sustainable future is important.

About the training course:

This training course is part of a series of 2 training courses that aim to empower participants working with youth to mainstream sustainability principles in their youth work activities. The two courses will have a specific focus on different dimensions of sustainability.

The training will focus on the following aspects of social sustainability: social equity and justice, diversity and inclusion, democratic participation and empowerment.

THE AIM

This training course will specifically focus on the SOCIAL dimension of sustainability. Throughout the programme, we aim to empower participants to contribute actively to a more sustainable future by incorporating the aspects of social justice and inclusion into their initiatives dedicated to youth.

Objectives of the training course:

- 1. Discuss the role of young people and youth work in dealing with major global issues related to social justice;
- 2. Understand the context and core principles of sustainable development and global citizenship;
- 3. Explore the importance of taking action towards social sustainability on personal and organisational levels;
- 4. Practice tools and methods that help young people develop their competencies and strengthen their values that contribute to more just, inclusive and socially sustainable local communities;
- 5. Explore the role of the Erasmus+ programme towards the promotion of inclusion and social justice among young people;
- 6.Provide a safe space for intercultural dialogue, sharing, networking and partnership building.

Dates

5th of June - **arrival day** 6th-11th of June - **working days** 12th of June - **departures**

To this training course, we invite participants who:

- Are youth workers, youth leaders, or educators engaged in youth centers, youth organisations, or any entity providing diverse activities for young people;
- Are mentors, trainers, and coordinators actively involved in local and/or international youth activities outside the formal education sector;
- Have medium, minimal or no prior experience in the field of social sustainability;
- Are motivated to enhance their professional competences, aiming to incorporate social sustainability principles into their daily youth work activities;
- Are citizens or permanent residents of one of the Erasmus+ programme countries (EU 27 countries, North Macedonia, Serbia, Iceland, Liechtenstein, Norway, Türkiye), Eastern Partnership (Armenia, Azerbaijan, Georgia, Moldova, Ukraine) or Western Balkans (Albania, Bosnia and Herzegovina, Kosovo, Montenegro) regions;
- Have a connection to an organisation with an Erasmus+ OID number that agrees to serve as a sending organisation for the training course (we expect the sending organisations to support participants in applying the competences acquired during the training);
- At the time of the training course are not participating in any other Erasmus+ long term project (e.g.,. Student exchange, Solidarity Corp or Erasmus Intership);
- Have a good command of English;
- Are able to participate in the entire program of the training course.

Application for the training course:

Application form: <u>https://forms.gle/ruc9zfU566Kx38yc7</u>

The deadline for filling in the application form is **the 21st of April, 23:59.**

We will inform the applicants about the selection results by **the 26th of April.**

The Venue

Sadauskų sodyba homestead Address: Jurbarko pl. 351, Antalkių km., Vilkijos sen., Kauno rajonas, LT 54217 Website: http://www.sadauskusodyba.lt/en/

The Venues a bit out of Kaunas, but is gorgeous and surrounded by real Lithuanian nature. Participants will be living in shared rooms: **3-4 persons** per room.

The location is a bit far from the town, so please make sure, that you have everything, that you will need for the week before arriving to the place.

Food will also be cooked in the homestead. We will collect the information about the dietary needs or any other support needed only from selected participants.

Reaching Kaunas from Vilnius airport

By train – there is a train connection from Vilnius airport to Kaunas. First, you will need to take a train to go to the central train station in Vilnius, and then to take another train to Kaunas. For the timetable and ticket prices, please, check here: https://www.traukiniobilietas.lt/portal/en.

By bus - if the train option is not convenient, you can also check the following options to reach Kaunas by bus:

Take a **mini bus** from the airport (the stop is located outside the airport, close to the exit B) to Vilnius bus station and then the bus to Kaunas. For the timetable of buses from Vilnius bus station, please, check here: https://www.autobusubilietai.lt/?lang=0

Take Airport Express directly from Vilnius airport to Kaunas.Forthetimetable,please,check:https://www.ollex.lt/en/express/Vilnius-airport/buy-a-ticket

N.B. This bus drops-off passenger at the beginning of the Savanoriai avenue in Kaunas. So, from there, you need to use either public transportation or a taxi to reach the city centre.

Reaching Kaunas from Kaunas airport

Bus No. 29G connects Kaunas International Airport with the city centre. The journey takes about 45 minutes with the bus timetable being coordinated with flight schedules.

Taxi service is also available for those who need a speedier transfer. We usually recommend using Bolt. App for Android Users https://play.google.com/store/apps/details?

id=ee.mtakso.client&hl=en

Reaching the Venue

From the Kaunas bus station you can take bus no. **153**, **154**, **170** and get off on the stop "Antalkiai". From there the Venue will be reached in 5 min by foot. Another option is to take a **taxi** ("Bolt"), which should cost approximately 20 euro per trip.

Finance

The food and accommodation will be provided and paid by the organisers. Travel costs will be counted by distance calculator (https://erasmusplus.ec.europa.eu/resources-and-tools/distancecalculator) provided by European Commission (destination - Antalkiai) and reimbursed.

DISTANCE BAND	STANDARD TRAVEL
Between 10 and 99 KM:	23 EUR
Between 100 and 499 KM:	180 EUR
Between 500 and 1999 KM:	275 EUR
Between 2000 and 2999 KM:	360 EUR
Between 3000 and 3999 KM:	530 EUR

As our training course is about sustainability and environment, we strongly encourage to use green travel method. **Green travel** is defined as the travel that uses lowemissions means of transport for the main part of the travel, such as **bus**, **train** or **car**-pooling.

If you choose to travel this way, we can compensate accommodation and food while you travel (max. budget for all of that - 120€).

Initial tips for preparation

Here are some tips on how to prepare and what to bring to the training:

-Positive energy and motivation to learn new things;

-All original documents related to your travel costs;

-Toiletries (shampoos, shower gels, etc.) for your personal hygiene;

-Any medicines that you might need;

-Towels for your personal use;

-Warm and comfortable indoor and outdoor clothes and shoes.

We will also update the selected participants with more tips for preparation while the training course approaches.
