

ART OF INCLUSION

EQUALITY VS EQUITY

A group of people are in a gymnasium. In the foreground, a woman with blonde hair, wearing a black hoodie and patterned leggings, is sitting on the wooden floor, smiling and gesturing with her hands. To her left, another woman in a dark sweater is also sitting on the floor, looking towards the camera. In the background, several other people are visible, some standing and some sitting, in a well-lit indoor sports facility. A net is visible on the left side of the frame.
