

# About us

**Karaman Youth Club Association**, established on November 30, 2010, is an independent organization actively involved in volunteer-based initiatives that implement programs and projects in the field of personal, institutional and societal development. Our primary mission is to promote high-quality non-formal learning to enhance the capacities of young people and youth workers, thus contributing to personal, organizational and sustainable community development.

Currently, the organization is supported by a dedicated group of local volunteers, with ages ranging between 18 and 35, totaling approximately one hundred individuals and also a team of experts, youth workers, academicians, teachers, trainers and coaches.
