D. BACKGROUND AND EXPERIENCE	
Please briefly present the partner organisation.	ENGELLERİ AŞIN DERNEĞİ(Embrace the Barriers Association) is a non-governmental organization was founded in 2022 by young and motivated Turkish youth to help people overcome their problems. Our mission is to share our belief that people from all walks of life can conquer any challenge through unity and to make a difference in the community. For us, a barrier is not just limited to physical limitations. It can be any difficulty we encounter in life, such as geographical conditions, language barriers, economic hardships, and social obstacles. We

	<p>strive to transform these barriers into opportunities through solidarity. Our association is dedicated to easing the lives of disabled individuals, advocating for their rights, and supporting their full participation in society. Additionally, we will develop projects to overcome various challenges..</p>
<p>What are the activities and experience of the organisation in the areas relevant for this application?</p>	<p>The president of our association has been working with individuals with special needs for years. At the same time, our vice president's father has been working in his own rehabilitation center for 25 years. Other team members also have experience in different fields. Although our activities do not set a limit, we plan to do projects mostly for individuals with special needs in the field of Erasmus+ projects. Apart from the projects, we will have different works in many areas. To give some examples, we can list some of them as follows:</p> <ul style="list-style-type: none"> *English Speaking Clubs *English Speaking Clubs for Children *Eurodesk Information Workshops *Group Therapies from volunteer professionals *Cultural Trips *Informative/educational seminars in many fields and much more
<p>What are the skills and expertise of key staff/persons involved in this application?</p>	<ol style="list-style-type: none"> 1. ABDULSAMET KEZER is the founder and president of the Embrace The Barriers Association. He graduated from Physical Education for the Disabled and has been working with individuals with special needs for a long time. He is also on the boards of directors of various associations. He managed the establishment process of the association with great devotion and is constantly trying to motivate his team. Having a wide network also contributes to the activities of the association. 2. SAFA OKAY is the founder and vice president of the association. He is studying Business

Administration at METU in Ankara. He has been actively involved in civil society for about 3 years. Having served on the boards of directors of various university societies and associations, Safa represented Eurodesk for 1 year and voluntarily mentored hundreds of people during their project application processes. He has serious experience in terms of Erasmus+ projects and has recently started to take part in projects as a facilitator. He has facilitated 4 Erasmus+ projects. He is currently working in many areas such as the coordination of teams, partnership negotiations, corporate meetings in the association.

3. MAHMUT TALHA NURLAN is a student of Istanbul Technical University. His department is Electronics and Communication Engineering. He is one of the founding members of the Association and is responsible for the coordination of the Istanbul team. It has a wide vision, having visited many countries in Europe with both Erasmus+ projects and individual travel plans. He will also play an important role in the representation of the association in the international arena.
4. Ceyda Doğan is known as an individual residing in Malatya, Turkey. A 23-year-old university student in her 4th year, she is pursuing a degree in physical education and sports teaching for the disabled at İnönü University, Faculty of Sport Sciences. In addition to her academic pursuits, she is actively involved as a volunteer in the Embrace the Barriers Association's Special Education Working Group, where she serves as a project coordinator.
5. Rûmeysa Homan was born in Türkiye in 1998. She has an addictive, addictive of learning and discovering. It has begun when she was at the age of 7 and started to learn reading. She has been reading books, sometimes writing and sharing them in her self blog page. She loves

	<p>dreaming. Her first dream was going to Vatican city after read the book of a bestseller writer Dan Brown. And she did! She is a lawyer now. She travelled 18 countries and lived in Romania for her volunteering desire. She worked with children, teenagers, refugees; she visited other cities and villages in Turkey for volunteering. She can speak English and she is learning French now. She likes doing a yoga workout to begin her day and drink a coffee after it. She is part of İstanbul and international relations team.</p> <p>6. KADER DOĞRU has a bachelor's degree in Psychological Counseling and Guidance and is doing a master's degree in the same department. She has improved himself considerably in her field. And in line with the purpose of the association, she is the director of the Psychology working group in order to be useful to people. She has become so important for the association thanks to her significant experience in different fields such as Erasmus+, NGOs and her job.</p>
