## ABOUT FUNDESPLAI

We are a non-profit organisation with a team of people committed and enthusiastic about making a better world. To this end, we have been **educating to enhance coexistence and sustainability** for more than 50 years in a wide variety of social and territorial areas. Our sphere of action is Catalonia, and we participate in initiatives and build alliances in Spain, Europe, Latin America and the world.

### MISSION

To educate children and youth, to strengthen non-formal educational centres and Third Sector associations, to improve the environment and to promote active citizenship and social inclusion with the will to transform society.

### VISION

We want to be a recognised and sustainable organisation, combining local and global logic in our action, characterised by quality and innovation and by establishing strategic alliances, especially with local public administrations and communities.

## INTERNATIONAL AND EUROPEAN INITIATIVES

With our international and European initiatives, we seek to **learn** and **share**, **network**, **innovate** and **evolve** our performance, and have an **impact** in our areas of action.

### MAIN AXES OF OUR EUROPEAN AND INTERNATIONAL ACTION:

## WHAT CAN WE CONTRIBUTE?

- Demonstrative actions and direct engagement with a large community of beneficiaries, especially children and youth.
- Expertise in innovative, quality, critical, and mobilising education and training.
- Raising awareness about sustainability, environmental improvement, contact with nature, and terrestrial and marine biodiversity protection.
- Promotion of healthy lifestyles, responsible consumption patterns, and communities focused on care.
- Sensitisation about coexistence and encouragement of reflection on global and local challenges and inequalities.
- Promotion of social and community commitment.
- Activation of citizenship and promotion of participation.
- Facilities for sustainable and accessible tourism and events.
