D. BACKGROUND AND EXPERIENCE	
Please briefly present the partner organization.	<p>Non-Entrepreneurship (Non-Commercial) Legal Entity (N(N)LE) Gori Municipality Development and Tana and Tedzami Protected Landscape Management Agency was founded in 2012 with the overall mission to support the socioeconomic development of the municipality. To achieve its goal, the agency plans and implements various cultural, educational, social, and infrastructural activities. Gori Municipality Hall and other donors fund the organization. The agency provides a needs assessment in the municipality ranks the top priorities, based on the needs of the municipality, and designs project proposals for further implementation.</p> <p>The main goal of the organization is to support development at the local level. Objectives of the organization are to support the municipality's economic, social, and cultural</p>

	<p>development; tourism development; enhance formal and non-formal education; empower civil society; attract foreign direct investments; prepare cadastral drawings and technical passports of the buildings throughout the territory of the municipality. Protect and develop Tana and Tedzami's protected landscape. The organization establishes international partnership links, and plans and implements various cultural, educational, social, and infrastructural activities. The organization has years of experience in project proposal development and grant-making and it works actively for fundraising to implement locally important and needful projects. The organization carries out training, workshops, conferences, festivals, etc. regularly. In 2017, the organization received the EVS accreditation and in March 2019-March 2020 implemented an Erasmus+ Volunteering Project: "Youth Development Through Education". In 2020, the agency obtained a European Solidarity Corps Quality Label with the roles of supporting and hosting and since May 2021 has been running the ESC Volunteering Project: "Yes, Youth Can: Building a Culture of Youth Engagement in Gori Municipality and Rural Areas".</p>
<p>What are the activities and experiences of the organization in the areas relevant to this application?</p>	<p>In 2017, Gori Municipality Development and Tana and Tedzami Protected Landscape Management Agency obtained EVS accreditation as the host organization and from March 2019 to March 2020, we implemented a volunteering project, named: Youth Development through Education (Project number: 2018-2-IT03-KA125-014377) and hosted two Italian volunteers for 12 months. The overall goal of the project was to promote non-formal learning processes of youth, particularly those living in rural areas of Gori Municipality to improve their key lifelong competencies to become active and successful citizens and increase their employability.</p> <p>The agency carries out training, and workshops for young people and supports them to participate in different programs; We have years of experience in planning and implementing various youth exchange programs.</p> <p>In 2020, we obtained a European Solidarity Corps Quality Label with the roles of supporting and hosting till 31/12/2027. From May 2021 to April 2022 with our Italian partner organization, we implemented a European Solidarity Corps volunteering project, named: Yes, Youth Can: Building a Culture of Youth Engagement in Gori Municipality and Rural Areas (Project number: 2020-1-IT03-ESC11-018381). Under this project, we hosted two volunteers from Italy. The volunteers alongside the employees of the agency had been planning, organizing, and implementing various activities based on the needs of youth living in Gori Municipality.</p> <p>In 2023, nowadays, with the German organization we are implementing the European Solidarity Corps project, named: "Discover the Caucasus" (Project number: 2022-1-DE04-ESC51-VT J-000061805) in Gori Municipality. Under this project, we are hosting two volunteers from Germany. Objectives of the project include enhancing the competences of youth workers and young community leaders to empower young people to actively engage in processes of community development in Gori Municipality.</p>
