D. BACKGROUND AND EXPERIENCE	
Please briefly present the partner organisation.	Batman Project and Mobility Association (Batman P&M) is a newly established NGO dedicated to enhancing the project development capacities of young people, fostering their participation in social activities, promoting awareness of European Union citizenship, fostering social inclusion, cultivating visionary youth, creating social benefits, and actively engaging in youth policies. With over 10 years of experience in previous NGO activities, Batman P&M has actively participated in numerous projects, gaining extensive expertise in various fields. Our organization has a proven track record of successfully implementing projects, both at the

	local and international levels. We have worked on initiatives ranging from youth empowerment and entrepreneurship to social inclusion and environmental sustainability. Our team consists of passionate individuals who are dedicated to making a positive impact on the lives of young people. We believe in the power of youth to drive change and contribute to the development of their communities. Through our previous experiences, we have built strong partnerships with local authorities, educational institutions, and other NGOs, enabling us to effectively collaborate and mobilize resources for our projects. Batman P&M is committed to promoting intercultural dialogue, tolerance, and social cohesion. We strive to provide young people with opportunities to develop their skills, expand their horizons, and become active citizens who actively contribute to society. Our organization firmly believes in the potential of youth to shape a better future, and we are dedicated to supporting them in realizing their aspirations. As an organization, we are excited to continue our journey and contribute to the development of young people, fostering a sense of European citizenship, and promoting social inclusion and active youth participation. We are driven by our vision of a society where young people are empowered to create positive change and contribute to a more inclusive and sustainable world.
