D. BACKGROUND AND EXPERIENCE	
Please briefly present the partner organisation.	Ever Clever – brief presentation Ever Clever is a Bulgarian NGO registered as an association. Ever Clever is an organization that brings together 1) young people from different ethnicities and regions and 2) established experts with experience who believe in the power of knowledge, creativity, and teamwork for positive and sustainable social change. The organization successfully combines the wisdom of proven experts with the energy and innovation of young university and school students, building a dynamic team focused on the challenges of today and the future. Organization’s activities are aimed at: • Non-formal education – conducting training seminars, discussions and interactive workshops that develop key skills and competencies of young people. • Youth empowerment – stimulating active civic participation and promoting

	youth initiatives. • Protection of human rights – promoting the rights of vulnerable groups and working towards their full integration into societies. • Gender equality – supporting equal opportunities for all, regardless of gender and/or identity. • Promoting democratic values – organizing forums, campaigns and public discussions to promote democratic principles. • Fighting fake news – developing critical thinking and increasing media literacy among young people. • Intercultural cooperation – promoting dialogue and interaction between different cultures, etc. With a team of over 100 active volunteers – students from different parts of Bulgaria and abroad –Ever Clever works hard to build a more informed, engaged and just society. Thanks to the successful implementation of numerous youth campaigns, the organization has earned the trust of different local communities and has created a stable network of partners. Our mission is to spark young people to be agents of change by providing them with the necessary knowledge, skills and means for action. We believe that through joint efforts we can build a future where everyone has equal opportunities and the voices of young people are heard by decision-makers. Ever Clever is an organization that confidently looks forward to the future and is ready to engage in new international projects, partnerships and initiatives that will contribute to a better tomorrow for all.
What are the activities and experience of the organisation in the areas relevant for this application?	The organization has experience in the following areas: • Organizing discussions and public debates on key social issues. • Conducting advocacy campaigns with the active participation of young people. • Assessment of the needs of young people in various areas, such as education, healthcare, social policy, inclusion of vulnerable groups, etc. • Preparation of analytical reports and recommendations for improving public policies. In 2025, we were a partner of Nuova Destinazione d' Uso from Italy in the implementation of the project "Empowering Communities through Participatory Photography" (http://otlas-project.salto-youth.net/17652). In 2025, we implemented the project " Wisdom comes from experience, not age", funded by the "Our Parents" fund of the BCause Foundation. In 2026, Ever Clever Association partnered with Association Community from France in the implementation of the project "Heritage of Mining Areas" (http://otlas-project.salto-youth.net/17668) In partnership with the team of the "Ida" Children's Palliative Care Foundation, in 2025-2026, we implemented the project "Whispers from Beyond" under the "Our

	Children" fund of the BCause Foundation (https://www.facebook.com/idahospice). In 2026, we won the "You and Lidl" competition with the project "Kasha-Masha: a campaign for personal development and civic education of vulnerable students from the Roma neighborhood "Fakulteta" in Sofia".
What are the skills and expertise of key staff/persons involved in this application?	<i>Venelin L. Stoychev</i> is a PhD in Sociology from Sofia University. Dr. Stoychev has extensive academic and teaching experience, but at the same time is actively involved in initiatives for the development of civil society. V. Stoychev has over 100 publications in the fields of modernization, education, disabilities, minorities, human rights, etc. <i>Beloslava Orlinova</i> holds master's degrees from Sofia University and Central European University. Beloslava has extensive practical experience in the field of public campaigns, communications, PR, information and public awareness campaigns, etc. <i>Martin Dimov</i> is a PhD in Psychology who has extensive experience in organizing and conducting various youth campaigns and initiatives related to the empowerment of vulnerable groups, gender equality, developing advocacy skills for NGOs and informal civic associations, working with volunteers, conflict resolution, out-of-court settlements, etc. <i>Maria Toneva</i> graduated from the University of National and World Economy in Sofia and defended her PhD in the field of civil society law. Dr. Toneva has extensive experience in organizing and conducting field studies with qualitative and quantitative research methods, preparing reports, organizing discussions between stakeholders in implementing public policies in the areas of youth inclusion, healthcare, mental health, prevention of domestic violence, family separation, etc.
