D. BACKGROUND AND EXPERIENCE	
Please briefly present the partner organisation.	Sivas Individual and Social Development Association was founded in August 2020 by a group of young people. The members of our association have a wide range of experience in the field of youth. They have volunteered and assumed leadership roles in various areas from university clubs to municipal councils, from national education institutions to environmental movements.

	<p>The main mission of our association is to strengthen the individual in order to strengthen society. In particular, our priority goals are for young people to develop their self-awareness, become individuals who are beneficial to society and strengthen their talents. Our vision is to create a social structure with a high level of consciousness, committed to all values from local to universal.</p> <p>We aim to develop local and international projects to achieve these goals. We are aware of the power of establishing dialogue, cooperating and acting with a common consciousness that human history has taught us. We carry out our activities within the framework of this understanding, both theoretically and practically.</p> <p>Our association's management team consists of individuals with experience in different fields:</p> <ul style="list-style-type: none"> - Our President İsmail Doğan has worked in various civil society organizations and is currently continuing his master's degree in Turkish Language and Literature at Sivas Cumhuriyet University. - Our Vice President Orhan Kavaklıoğlu is an English teacher with 12 years of experience in the Ministry of National Education. He is also doing his master's degree in Educational Sciences at Sivas Cumhuriyet University. - Our Secretary General Osman Şahin continues his public service as Station Manager at Istanbul Marmaray. <p>With this experienced and expert staff in various fields, we aim to produce and implement effective projects in the fields of youth and social development.</p>
What are the activities and experience of the organisation in the areas relevant for this application?	<ul style="list-style-type: none"> ✓ As SİBİTOG, we cooperate with associations that carry out both public and youth work at the local level. In addition: ✓ In 2023, we implemented project number 2022-3-TR01-ESC30-SOL-000102608. We successfully completed this cultural project. ✓ In the same year, we became a partner in project number KA210 2023-1-NL01-KA210-ADU-000152245 and participated in its activities. We assumed responsibility for this project on adult education. ✓ These experiences demonstrate our association's capacity to carry out projects and cooperate at both national and international levels. We have expanded and diversified the fields of activity of our association by carrying out studies in different areas such as cultural projects and adult education. Thanks to these projects, we have gained significant experience in cooperating with international partners, project management and working with different cultures.
