AIMS AND ACTIVITIES OF THE ORGANISATION	
Please briefly present your organisation (e.g. its type, size, scope of work, areas of specific expertise, specific social context and, if	Ung i Laholm has been around for more than twenty years in Laholm, although we got our department-name around 2018. It is an organisation that exclusively focuses on youth activities, engagements, initiatives and well-being. Today we are a staff of seven working with youths all around the commune of Laholm. Our primary focus is youths between the ages of 13-15, but sometimes we involve both younger and older youths in our activities. Our ways vary and includes closed group activities, group sessions in discussion forms, outdoor activities, open

relevant, the quality system used).	evening activities, lectures, project-collaborations with other associations, ERASMUS+ - projects, school-collaborations etc. We are a non-profit unit included in the township of Laholm with our own budget. We use the KEKS-tool to keep statistics of our visitor expansion.
	Ung i Laholm have recently been delegated to organise Youth Exchange projects with ERASMUS+. In 2024 we made our first trip to Amsterdam where the theme was mental health. During our trip we participated in the PRIDE-parade for transpeople and the associated festival, visited the Rembrandt x Van Gogh show, visited the Body Worlds Museum and participated in two days of activities hosted and planned by a local youth organisation. After the arrival back home, our youths made an exhibition consisting of lanterns with picture-coats photographed during the trip to Amsterdam.
Organisational structure	
Skills and expertise of key staff involved in the projects.	Currently our workforce includes several leisure time-leaders, behaviour scientists, counsellors and cultural educators. The education for leisure time-leaders consists of two years including psychology and pedagogy. The education for behaviour scientists is a three-year college education including psychology, sociology and law etc. Resulting in a bachelor's degree in behaviour science. Our culture educator has a magisters degree from a college education in theatre and culture. The counsellor education is consistent of two years college education including psychology and social work.
