The Future of Europe Through the Eyes of Youth

ANKARA / TÜRKİYE

23-30 April 2025

(7 Activity days + 1 Travel Day)

About Project

The project is a mobility project for the professional development of youth workers in the Erasmus+ KA153 format. The project aims to raise awareness among young people about the future of the EU and to develop the knowledge and skills of young people and youth workers on these issues. Participants will learn about the Future of the EU through various workshops, presentations and field trips and will experience international cooperation and solidarity.

Project Objectives:

Raising awareness among youth workers about the Future of the EU.

Raising young people as individuals who are sensitive to the problems of the EU.

Establishing cooperation and networks at national and international levels.

Ensuring that participants raise awareness about the Future of the EU and its problems in their local communities.

QUESTIONS:

+ *What do young people think about the future of Europe?*

+ *What are the attractive aspects of the EU for young people?*

+ *What are the risks and opportunities in the future of the EU?*

+ *What suggestions do young people offer regarding the aging population and employment issues in the EU?*
