

**Project Title:**  
**ICIBANGOUA Virtual Exchange –  
Francophone Youth Voices for  
Citizenship and Dialogue**

**Call for Partners**

# 1. Introduction / Background

In a world increasingly marked by socio-political polarization and unequal access to educational mobility, ICIBANGOYA.net has emerged as a significant youth media platform in Cameroon, empowering young voices through journalism, storytelling, and civic engagement. Building on this foundation, KULTUROVA seeks to expand ICIBANGOYA into a pan-Francophone Erasmus+ Virtual Exchange (EVE) initiative, connecting young people from Europe and Africa through structured digital dialogues and collaboration.

## 2. Project Goals and Objectives

Promote intercultural dialogue and mutual understanding among Francophone youth.

Enhance digital literacy, critical thinking, and media production skills.

Foster active citizenship, youth-led social entrepreneurship, and sustainable community initiatives.

Support inclusive access to virtual mobility and educational resources.

### 3.

# Consortium Profile

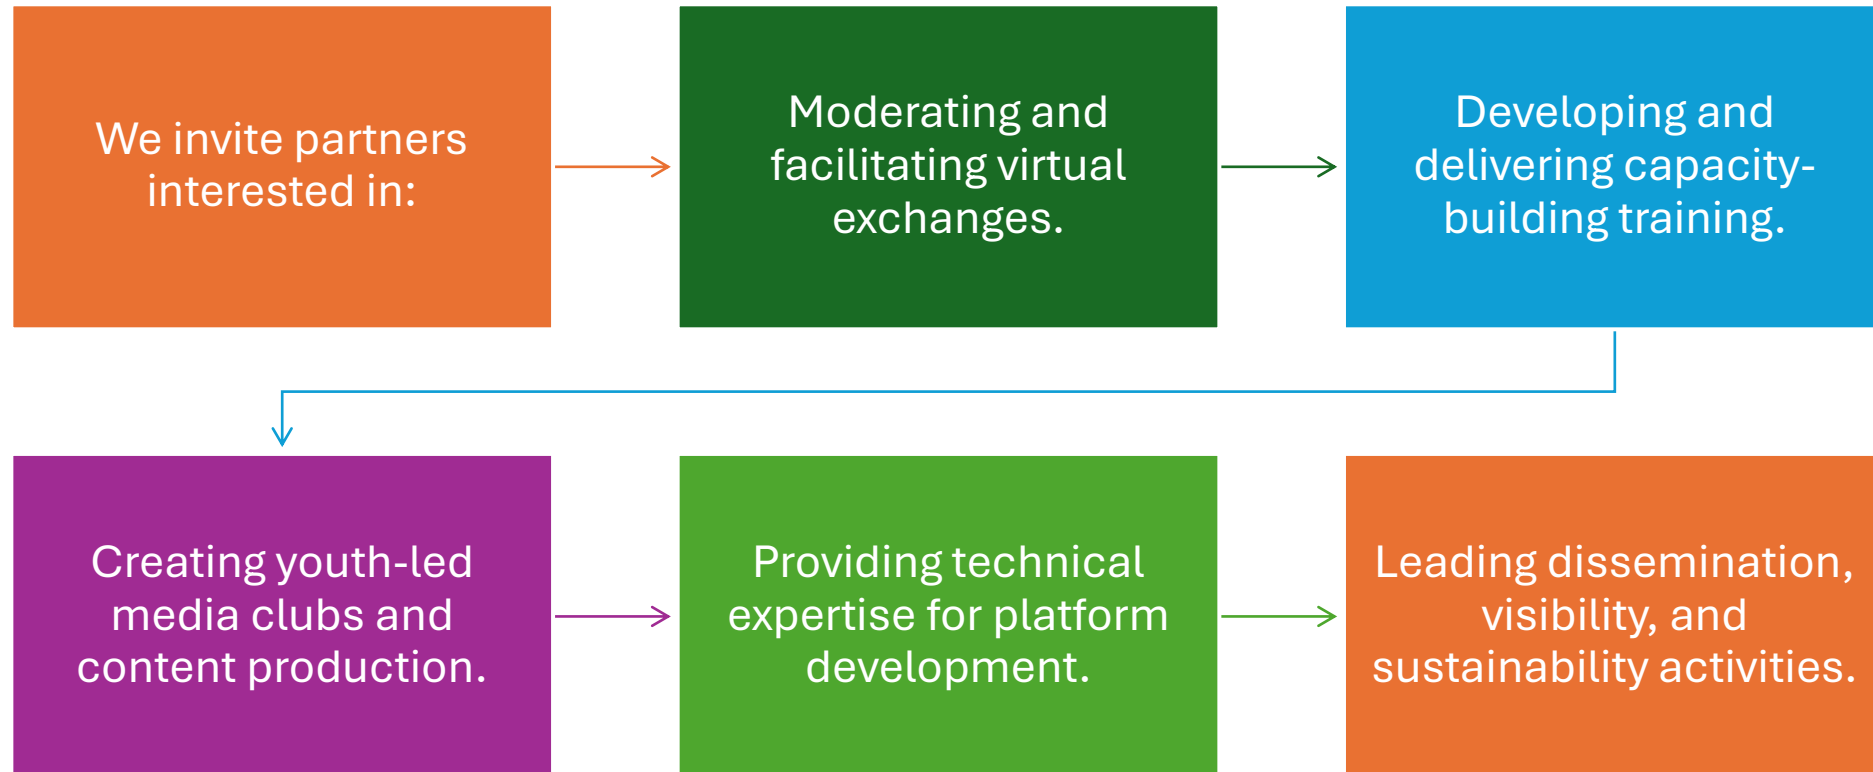

The existing consortium comprises youth and educational organizations from:

Europe: France (KULTUROVA Applicant), Belgium, Luxembourg

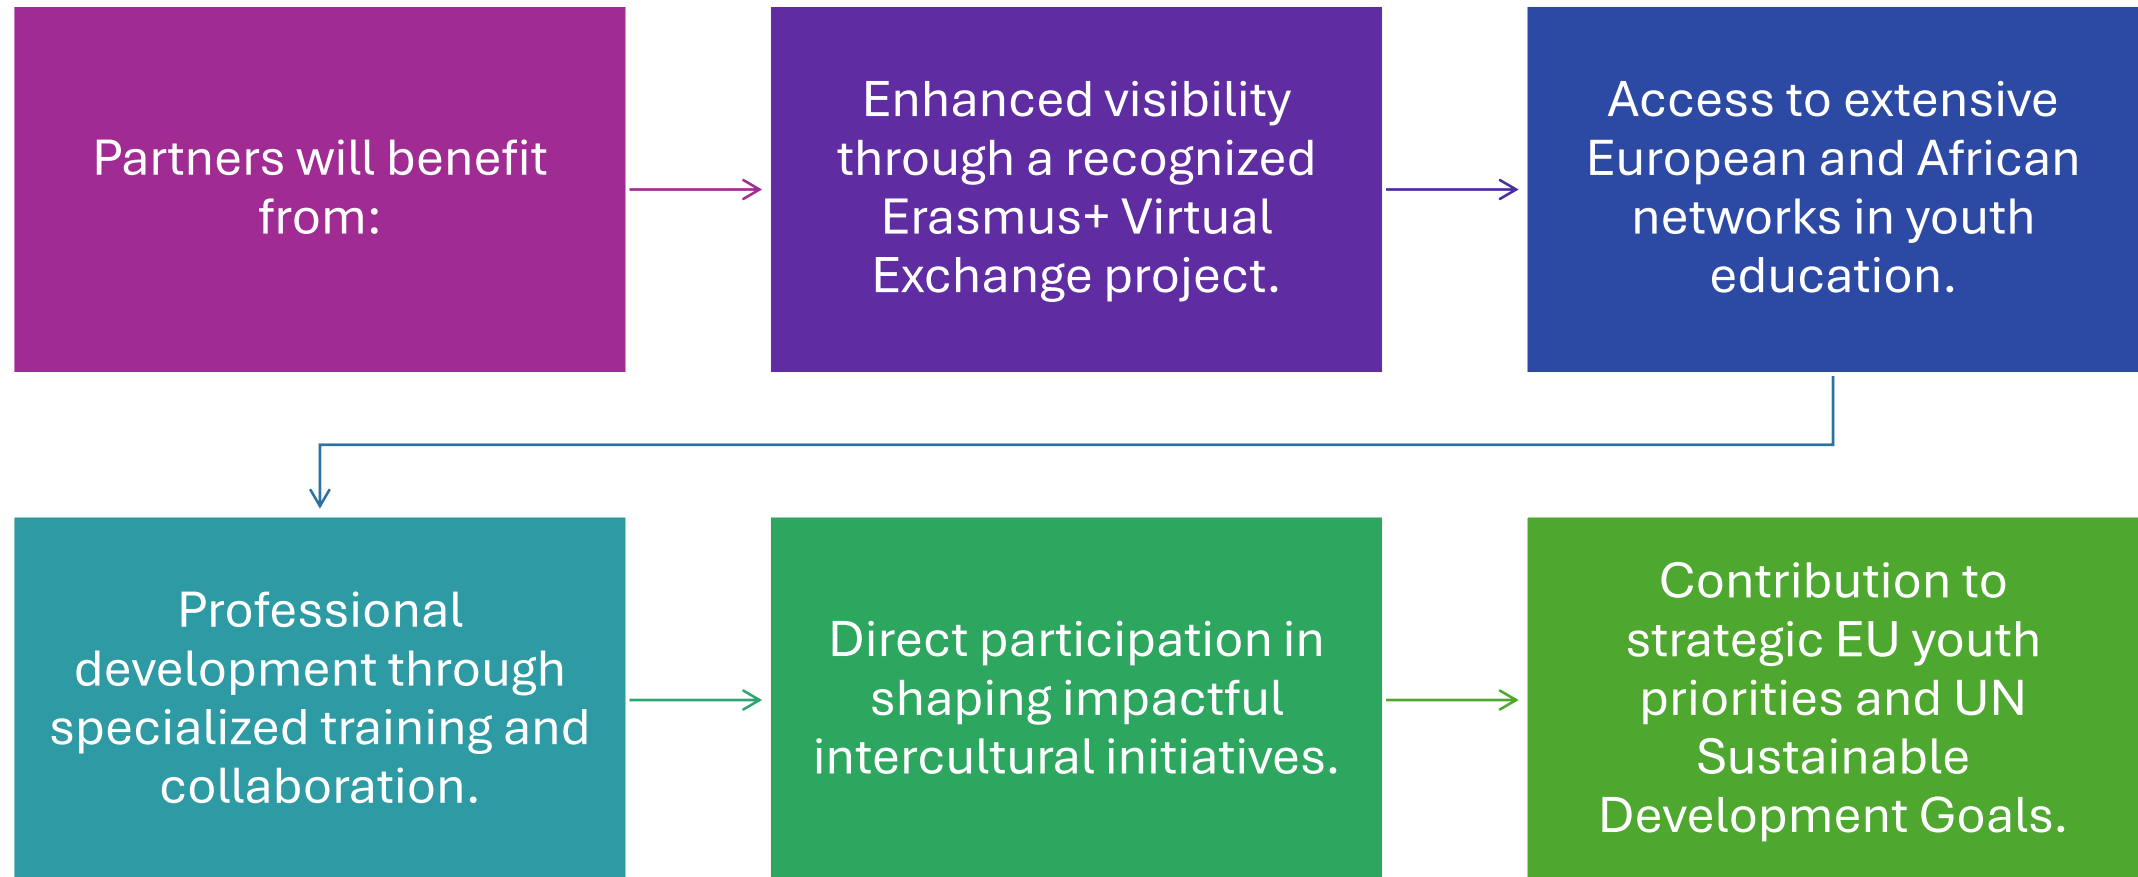

Africa: Cameroon (WebDev Foundation), Gabon (ONG SIFOS), Côte d'Ivoire, Benin, Democratic Republic of Congo

To strengthen our initiative, we seek additional partners who bring specialized expertise, innovative methodologies, and regional networks, ensuring a diverse and balanced consortium.

## 4. Roles & Responsibilities of Partners

# 5. Benefits for Partners

## 6. Partner Eligibility and Criteria
