D. BACKGROUND AND EXPERIENCE	
Please briefly present the partner organization.	The CVLV PSR, Centre de Vacances et de Loisirs Verdelaïsiens Pôle Social Rural (Verdelais Holiday and Leisure Centre Rural Social Hub), is a non-profit organization working in the field of popular education. Certified as a Social Living Space, it is an important community organization in southern Gironde, a rural area approximately 50 km from the city of Bordeaux (Gironde, France). It is a local community center with a social, family and intergenerational focus, providing a hub for social activities that enable residents to express, design and carry out their holiday plans. The association's overarching objectives are to create social ties between residents, support and include people in difficulty, and organize activities to raise awareness of civic engagement. This is achieved through a range of activities and initiatives in five areas: - Family initiatives - Welcoming everyone - Supporting local initiatives and community life - Leisure activities for children and young people - Projects for young people aged 12-25 <u>Values of the organization:</u> Humanism, solidarity and citizenship are at the heart of actions in favour of young people and families. <u>Object of the organization:</u> Continuing education through popular education.

	Enabling children, young people and adults to participate in social, artistic, sporting, cultural, tourist or holiday activities by providing them with the premises and human and/or financial resources to carry them out. <u>Aims of the organization:</u> ✓ Meet the needs of local residents ✓ Support youth projects and initiatives ✓ Develop citizenship and youth engagement ✓ Support parenting ✓ Offer services and activities to strengthen social and family ties ✓ Organize European exchanges for young people
What are the activities and experience of the organization in the areas relevant for this application?	✓ Youth project for 12-25 year olds, the association's target audience for over 40 years. ✓ Based on five pillars: being a resource for young people / participating in tomorrow's society / developing leisure activities / supporting civic initiatives / providing places for exchange, social connections and learning. ✓ This involves taking a holistic approach to young people: holiday stays and leisure activities are offered, but also initiatives to promote employment through civic services, voluntary work, school and/or professional internships, BAFA (youth leader qualification), access to rights, digital technology, information on the use of social networks, prevention of risky behaviour, mental health, etc.
What are the skills and expertise of key staff/persons involved in this application?	<u>Legal Representative – Vanessa Tauzin (president)</u> Area of expertise - Popular education, youth - Management and running of a games library Contact person – Marie Nasse (project manager) - Project coordination - Running the Social Living Space
