# Who We Are

**Cansalıđı Community is a medical student-led, non-profit youth organization based at Hitit University in orum, Trkiye.**

**Founded by motivated university students, our community brings together young people from different academic backgrounds to learn by doing, create social impact, and grow through international cooperation.**

**While our roots are in health sciences, today we work in a broad youth work framework, including education, wellbeing, leadership, innovation, volunteering, and intercultural dialogue. We support young people in developing skills, confidence, responsibility, and a strong European mindset.**

# OUR MISSION & VALUES

- **Our Mission**

**Our mission is to empower young people by providing learning opportunities, non-formal education activities, and international experiences that support their personal, social, and professional development.**

**We aim to help youth become active citizens, capable of contributing positively to their communities and to Europe.**

- **Our Values**

- Youth participation and active involvement
- Non-formal learning and learning by experience
- Inclusion, equality, and respect for diversity
- Solidarity, volunteering, and social responsibility
- Intercultural dialogue and European cooperation
- Openness, creativity, and innovation

# WHAT WE DO

## Our Activities & Experience

We have strong experience in planning and implementing youth activities, such as:

- Trainings and workshops (soft skills & practical skills)
- Awareness campaigns and social responsibility actions
- Visits to community institutions (e.g. nursing homes)
- Volunteering-based local initiatives
- Peer education and student-led learning activities
- Erasmus+ project writing and preparation trainings
- Participation in national and international youth projects

Our activities are designed to support:  
learning, participation, inclusion, teamwork, leadership, and initiative-taking.

# ERASMUS+ & INTERNATIONAL COOPERATION

## Our Erasmus+ Capacity

**Cansağlığı Community is actively involved in the Erasmus+ Youth Programme and continuously develops its capacity in international project work.**

**We:**

- **Prepare and train young people for Erasmus+ projects**
- **Actively search for international partners**
- **Support project design and content development**
- **Recruit and prepare motivated participants**
- **Contribute to dissemination and follow-up activities**

**We are currently developing our own Erasmus+ project ideas for 2026, while also being open to join existing consortia as a partner.**
