D. BACKGROUND AND EXPERIENCE	

Please briefly present the organisation (e.g. its type, scope of work, areas of activity and if applicable, approximate number of paid/unpaid staff, learners).	The Santos Martires institution has been in existence for about 39 years and currently has services in the areas of senior citizens, youth and kindergarten, a social support and emergency center and a home for people with disabilities with an occupational activities center. We have a multidisciplinary team in the area of disabilities with about 8 technicians specialized in therapeutic and leisure activities, who are paid according to the salary scale in force in Portugal.
---	---

What are the activities and experience of the organisation in the areas relevant for this project?	Our organization have the Academy, which is an institution that has around 50 users with disabilities who are led by a multidisciplinary team in the therapeutic and leisure areas and who have already participated in some exchanges and mobility for people with disabilities in the area of art through inclusion, accessible language, collaborative economy without barriers and sports projects teaching chess.
--	--

What are the skills and/or expertise of key persons involved in this project?	Our team has about 10 years of experience in Erasmus projects that were developed at the Academy in conjunction with countries such as Italy, Romania, Germany, North Macedonia, Latvia, Turkey, Spain and Estonia. Our reference person and interlocutor is the senior technician in special education Sérgio Afonso, who has already had several contacts and trips carried out in mobile and meeting places.
