

Call for Coordinator – Erasmus+ KA220-YOU

Project title: GreenQuest: Exploring a Sustainable Future

Total budget: 250,000 EUR

Consortium: 5 partners (including coordinator)

We are currently looking for an experienced coordinator organisation to join us in submitting an Erasmus+ KA220-YOU cooperation partnership project focused on sustainability, green travel, and youth engagement.

Project Overview

GreenQuest: Exploring a Sustainable Future is an innovative project aimed at educating and raising awareness among young people about the importance of sustainable travel practices. Our mission is to inspire a new generation of environmentally responsible travelers by transforming learning about green travel into an engaging and enjoyable experience.

Through interactive tools, educational resources, and community-based activities, the project seeks to empower young people to support the achievement of the Sustainable Development Goals (SDGs) and actively contribute to a more sustainable future.

Project Objectives

- **Raise Awareness:** Increase understanding of the environmental impact of travel and the importance of sustainable choices;
- **Educate:** Provide quality education on sustainable travel practices and their role in achieving the SDGs;
- **Engage:** Encourage active youth participation in promoting and practicing green travel;
- **Empower:** Enable young people to advocate for sustainable travel policies and practices in their communities;
- **Influence Behavior:** Support long-term behavioral change toward more sustainable travel habits.

Expected Impact

- **Increased Awareness:** More young people informed about sustainable travel and its environmental benefits;
- **Learning through Play:** Development of EcoVoyager, an interactive game focused on sustainable transport and travel;
- **Resource Development:** Creation and distribution of practical guides and toolkits on eco-friendly travel;
- **Behavioral Change:** Measurable shifts toward greener travel decisions among young people;
-

- Community Engagement: Building a vibrant community of young green travelers actively promoting sustainable practices.

Coordinator Profile

We are looking for an organisation that:

1. Has proven experience in Erasmus+ KA2 / KA220 projects (as coordinator preferred);
2. Actively works in the field of sustainability, environmental education, green mobility, or related topics;
3. Has strong project management and coordination capacities;
4. Is motivated to co-create a high-quality, impact-driven European project.

How to Apply

Interested organisations are kindly invited to send:

1. A list of sustainability-related projects implemented so far;
2. A short description of the target groups you work with;
3. A brief explanation of your internal needs and motivation for joining this project;
4. Your PIF (Partner Identification Form).

 Please send your expression of interest and documents to: **ngo.vagabond@gmail.com**

We look forward to connecting with committed organisations ready to explore and shape a more sustainable future together
