RiseEU Youth Team Partner Identification Form (PIF)

Background and Experience	
Please briefly present the partner organization.	RiseEU is an informal group of young people committed to promoting social inclusion and equal opportunities. We work collaboratively on local and international projects to empower youth for society and support vulnerable communities.
What are the activities and experience of the organization in the areas relevant for this application?	<p>RiseEU is at the beginning of its journey and is strongly committed to supporting minorities, young people with disabilities, and others who need to strengthen their capacities to actively participate in society. Our approach is rooted in non-formal learning activities, both nationally and internationally, that create inclusive opportunities for personal growth, intercultural dialogue, and community engagement.</p> <p>Our main objectives are to:</p> <ul style="list-style-type: none">• Promote inclusion and equal opportunities, with particular attention to young people with disabilities and those from minority or vulnerable backgrounds, ensuring everyone has the chance to express themselves and access learning.• Empower participants by providing accessible, inclusive, and engaging spaces where they can build self-confidence, strengthen their autonomy, and develop their ability to keep learning throughout life.• Support skills development by equipping young people with critical thinking, creativity, digital competences, and practical skills that enhance their social and civic participation as well as their future opportunities.• Encourage active citizenship by motivating young people to engage in their communities, embrace cultural diversity, and take part in solidarity actions that contribute to a more democratic and inclusive Europe.

RiseEU Youth Team Partner Identification Form (PIF)

	<p>Through these objectives, RiseEU fosters communication, intercultural awareness, problem-solving, and initiative — helping young people grow both personally and collectively while preparing them to play an active role in Europe's future.</p>
<p>What are the skills and expertise of key staff/persons involved in this application?</p>	<p>The key person involved in this application brings extensive experience in non-formal education, having actively participated in and facilitated over 15 international projects and activities with young people aged 13–30. These projects covered diverse themes such as politics, education, sustainability, employability, entrepreneurship, and gender equality, providing solid expertise in adapting methodologies to different cultural contexts.</p> <p>Relevant skills and expertise include:</p> <ul style="list-style-type: none">• Youth Work & Non-Formal Education – Skilled in designing and facilitating workshops, training courses, and youth exchanges, ensuring inclusive and impactful learning experiences.• Experience with Erasmus+ – Served as a EuroApprentices Portuguese Ambassador, representing and promoting Erasmus+ opportunities nationally and internationally, with a strong understanding of European youth policies.• Organizational & Administrative Skills – Currently a Remote Office Assistant and with previous professional internships at Centro de Juventude de Águeda, gaining hands-on experience in project support, coordination, and communication.• Inclusive Practice – Dedicated to working with diverse groups, including minorities and young people with disabilities, ensuring accessibility and equal participation.• Multilingual Communication – Fluent in Portuguese and English (C1 level), with working knowledge of Spanish, enabling effective communication in international contexts.• Digital & IT Competences – Educational background in computer systems and administration, contributing to effective digital collaboration and project management. <p>This combination of youth work expertise, Erasmus+ experience, organizational capacity, and commitment to inclusion ensures that RiseEU can actively contribute to the partnership and deliver high-quality activities.</p>
